FIRST-CLASS PICTURES will introduce every valuable discovery in photographic science and spare no ex-pense to make my work equal to any in the

Province.
There is sothing in the discoverius of actors in late years that has made such progress as Photography. By comparing the Photographs takes some years ago with those made now it wilfle seen that the former were more carloathres than true pictures.—The vulgar, chalky faces of the past are superseded by those of artistic shading, and pictures made only to fade by those of permanence and durability.

I would say to all who want good pictures to give me a call:

MONEY TO LOAN!

THE CANADA LANDED CREDIT COMP'N

THE Canada Landed Credit Company are prepared to make advances to landed proprietors on the new mortgage system. The lons are at 8 per cent, for a long period repayable by a staking fund of 2 per

cents.

By borrowing of this Company there is no pessibility of the borrower ever being called on suddenly to pay off the debt.

The small sum which he pays into the sinking fund half-yearly, to which the Company add interest and compound interest, cancels the debt.

The borrower has always the privilege of liberating his estate from the mortgage at any time, on giving six months giving whilst the Company remains bound to? he end of twenty-three years; and the amount paid in the sinking fund, with interest and compound interest, is then allowed him in retilement. He has the privilege, as he may find it Toronto & Nipiesing Railway Co.

convenient, of paying into sinking fined, over and above his regular contribution, any even sum above \$100 in reduction of his mort-gage, and for which he is allowed six per cent, compound interest; such payments of course shorten the term considerably. Commission Charged—No Shares Required to be Taken—No Fines to Pay—No Expenses or Renewalls, and small Legal Expenses.
