MONEY TO LOAN

THE CANADA **LANDED CREDIT COMP'NY.**

H Canada Landed Credit Company are prepared to make advances to land proprietors on the new mortgage system. The loans are at 8 per cent, for a long period repayable by a sinking fund of 2 per cent.

By borrowing of this Company there is no possibility of the borrower ever being called on suddenly to pay off the debt.

The small sum which he pays into the sinking fund half-yearly, to which the Company add interest and compound interest, enables the borrower to have the privilege of liberating his estate from the mortgage at any time, on giving six months' notice, whilst the Company remains bound to be out of twenty-three years; and the amount paid in the sinking fund, with interest and compound interest, is then allowed him in settlement.

He has the privilege, so he may find it convenient, of paying into the fund, over and above his regular contribution, any even sum above \$100 in reduction of his mortgage, and for which he is allowed six per cent, compound interest; such payments of course shorten the term considerably.

No Commission Charged—No Shares Required to be Taken—No Fines to Pay—No Expenses or Renewals, and small Legal Expenses.

Further particulars and forms of application may be had of the Secretary, Mr. King-st., Toronto. Or of **S. CORNELL, Valuer.** Or to **JAMES HEAL, Solicitor.** LIBERTY.

LAZARUS & MORRIS

CELEBRATED **PERFECTED SPECTACLES, AND EYE-GLASSES.**

It is admitted that a well-fitting pair of Spectacles is one of the greatest blessings which modern science has conferred upon those needing optical aid; hence none but the most perfect should be used, as by that means frequent changes and the fatigue which the wearer of ordinary spectacles experiences is avoided. The least costly are those which are found to be the best.

Mr. T. Beal, Lindsay, claims to have for sale the **Most Perfect Spectacles & Eye-Glasses in the World.** viz.—the Celebrated Perfected Spectacles manufactured by **LAZARUS, MORRIS & Co.** combining in their structure the accuracy of transparency with the greatest accuracy of focus, and are mounted in the most durable and finest finished frames, in Gold, Silver, shell and steel. Every pair is fitted on optical rules, and thus the agent is also enabled to fit these famous Spectacles and Eye-Glasses by correspondence. Every pair sold by the agent is warranted from one to five years.
