

Paris April 21.—A despatch from the French ambassador at Berlin represents that his relations with Germany are on a very good footing.

To the Work, the Work, and the Work, the Editor of the London Standard says, "We can not unhesitatingly recommend the Peruvian System, a protected education of the provinces of Peru, to all the work, the work and the work, having richly experienced its benefits. It possesses all the qualities claimed for it by its proprietors."

Heuleit & Mills, is acknowledging the very liberal and generous assistance they have met with during the short time they have been in business and to order to meet the increasing demand of their customers, wish to state that they have now gone more extensively into business than heretofore. To their friends on duty, having a better and larger stock to select from, than they could possibly offer them on any previous occasion, and will complete in every department, and will prove well worthy the attention of intending purchasers, to which we give a general invitation. Sign Golden Plover.

Market Table with columns for various commodities like Wheat, Flour, and other goods with their respective prices.
