Galway township has been placed in
 the free grant list with Mr. G. R. Stewart
 agent. He will visit Kilmount twice a
 week to transact business with settlers.

Messrs. Rathbun & Son, of Deseronto,
 have already cut 100,000 logs. They
 have eighty teams and 450 men employed
 in the woods at Salmon river. They have
 36 jobbers at work.

A cure for croup. There is no better
 remedy for croup than Hagyard's Yellow
 Oil taken internally and applied accord-
 ing to special directions, this is the great
 household panacea for rheumatism, stiff
 joints, pain, inflammation, etc.—46-2.

The young ladies of Orillia have de-
 cided to refrain from offering young men
 intoxicating drinks during their calls on
 new year's day. A praiseworthy step.

W. T. Bray, pharmacist, Wingham,
 Ont., writes that the sale of Burdock
 Blood Bitters has very largely increased
 in that locality, and adds that he hears very
 favorable opinions expressed regarding it,
 and, if time permitted, could send many
 names of benefitted parties.—46-2.

All ladies who may be troubled with
 nervous prostration, who suffer from or-
 ganic displacement, who have a sense of
 weariness and a feeling of lassitude; who
 are languid in the morning; in whom the
 appetite for food is capricious and sleep at
 proper hours uncertain, should have re-
 course to Mrs. Lydia E. Pinkham's Vege-
 table Compound.

Some years ago the people of the 5th
 and 6th concessions of Emily were much
 troubled by a fox carrying off their fowl.
 Great peace reigned in this part of the
 township until the return of Reynard this
 week, since which time he has made great
 havoc of the geese and turkeys of this
 section. We'd advise the owners to get a
 spring gun.

Skill and patience succeed where force
 fails. The quiet skill and patient re-
 search which brought forth Kidney-Wort
 illustrates the truth of the fable. Its
 grand success everywhere is admitted.
 Ask any good physician the reason and he
 will tell you something interferes with
 the working of the great organs. Kidney-
 Wort enables them to overcome all ob-
 structions and preserves perfect health.
 Try a box or bottle at once.

From friends in Gand, Belgium, Rev.
 Father Allain, of Uxbridge, received by
 express last week a handsome Christmas
 present in the way of a large box of ves-
 tments, church ornaments, etc., valued at
 from three hundred and fifty to four
 hundred dollars. The gift, it is needless to
 say, is fully appreciated by Father Allain,
 who will divide it among his three
 churches—Markham, Uxbridge and Port
 Perry.

The distinguished Dr. Louis Blanc, of
 Paris, has been using Phosphates largely
 in treating consumption, and says he con-
 siders them the most reliable agents yet
 discovered, and reports that of all the
 cases treated none have become worse and
 the majority materially benefitted, and
 manifesting signs of permanent recovery.
 This is the record of Wheeler's Phosphates
 and Galls, which cures a larger pro-
 portion of cases than any preparation
 hitherto known.

The Port Hope Guide of the 23rd Dec.
 says that on Friday night about ten
 o'clock as the Rev. Rural Dean Allan was
 passing down the main street of Millbrook
 his attention was attracted by large out-
 cries on the opposite side of the street.
 He immediately passed over to the other
 side and there found that a fight was in
 progress between Chas. Guy and a man
 known as "Chopper," Dick Fallis. The
 rev. gentleman endeavored to make peace,
 but "Chopper" turned and struck him,
 knocking him down, and dealing with
 the ruffian replied, "He didn't give
 who it was." Fallis was lodged in the
 lock-up and it is hoped will obtain his
 just deserts.

A Sure Thing.
 In the treatment of chronic disease with
 that great system renovator and restora-
 tive, Burdock Blood Bitters, there is no
 uncertainty as to its action, its curative
 powers are especially manifest by its marked
 effect upon the liver, the bowels and the
 kidneys. Every dose performing its work
 in a perceptible manner.—46-2.

A Wise Maxim.
 "A stitch in time saves nine," not
 only in making garments, but also in
 mending health. If Hagyard's Pectoral
 Balsam were used in the earlier stages of
 colds and coughs, many a "stitch in the
 side" and many a case of torn lungs
 might be avoided, that, neglected, rapidly
 develops into irreparable consumption.

"BRACE UP" YOUR HORSES

Old English Condition Powder
 Now is the time to give your horses
 something good, such as a "Tonic
