It is encouraging to know that they were not entirely dismayed at the sight of our lofty hills and fruitful valleys, of which we proudly boast as emblems of a people, energetic and enterprising; of noble lofty stature; active, aspiring minds and warm hearty affections.

CHRISTMAS and New Year's are over. The young people of this locality enjoyed themselves pretty well on account of the good sleighing. There has been ton meetings, socials and weddings. On the whole there has been a jolly time. Farmens are taking advantage of the

good roads, and are drawing out a large quantity of wood and shingle bolts. There in also a considerable quantity of hay and grain going to market. The cattle buyers

are at work thinning out the cattle.
RACING or trying to drive past each other is quite a common occurrence with some of the young folks of this locality. It is a very bad practice and some have come very near getting their necks broken. It should be put a stop to, it causes a good deal of hard feeling.

Ma. C. Jayner has returned from the north-west after a sojourn of five years. He having made his pile has come back to settle down in Fencion.

Mr. D. Miller, of Port Perry, has been visiting friends in this locality. Mrs. J. Pearn, of this place, is visiting herfriends in Toronto.

School Extertainment .- On Dec. 7th the school children gave us one of the best treats of the season by way of an exhibition in which tableaux were the principal features, some of them being excellent. Two scenes painted by him proved that Mr. Indlow was an artist in the highest sense of the word. The force entitled "Domestic Economy" was also acted well, Mr. Harris as usual was on hand with the string band. Too much cannot be said in favor of the music furnished by them. If you don't believe me why just come to twenty eight. Deceased was a respectable the next entertainment. Social - A fruit and candy social was held in the Methodist church on Monday evening as a freat to the children attending the Sabbath school. The church was crowded to its utmost capacity, some being even unable to find sitting room. Recitations and readings by the scholars and others, some of which were amusing, with music by the choir, made the entertainment pass off pleasantly. Rev. Messra, Donese and Fallis, and Mr. Jno. Dix delivered addresses. I have not learned what was the huancial result, whatever it is, of course goes to the Sabbath school

STRANGE COINCIDENCE .- On Sunday last, the first Sunday in the year, there were two funerals in the E. C. burying ground here, Mr. Wm.
