

To Our Friends

This week we wish to draw your attention to some facts that are of importance to both yourselves and us. Kindly give the following your careful attention.

We have always endeavored to do the square thing with all those with whom we have had dealings, and it is very gratifying to us to know that our efforts have been appreciated and that our business has grown so rapidly in consequence of the liberal patronage of the public.

We now have the largest store in town, and carry the largest and finest stock. It is hardly necessary to state this for people can see for themselves. For this we have to thank our patrons.

What we wish to impress most firmly on your minds is this:

(1) WE INTEND TO KEEP AHEAD of all competitors, and we solicit your assistance, your trade to that end.
(2) WE ARE HERE TO STAY. We know if we are to expect your trade and support we must be worthy of it, and must by our efforts to please merit it.

We intend to do our part. You will find with us HONEST GOODS AND FAIR PRICES.

That our prices are and will be lower for the same class of goods than others can offer, we are certain. We are not under heavy expenses, as we have NO RENT, CLERKS, APPRENTICES or JOURNEMEN to pay, thereby saving many hundreds of dollars yearly, and we can sell goods at a LOWER LIVING PROFIT than any house in town.

We are both practical workmen, having served terms of apprenticeship in Toronto under special instruction with two of the best workmen there, in TRADE SHOPS, where work of the finest description from watchmakers in all parts of the province was sent, work of such a nature that it could be done only by men who had the tools and what is of much more importance—the experience and knowledge how to use them.

In equipment our workshop is second to none outside of the cities, either in TOOLS, MATERIAL or WORKMEN. These are the grounds on which we ask the public for their continued patronage.

Remember we pay no rent.
Remember we pay no journeymen.
Remember we own our stock, and these three things give us the "inside track," and we know it, and so do you, or you will if you come to buy from us.

BRITTON BROS.

The Victoria Warder

FRIDAY, APRIL 6, 1883.

Personal Paragraphs.

Mr. F. C. Taylor has been appointed license commissioner, in the room of the late Mr. Jas. McKibbin.

Mr. St. Pedlar has at last received that fortune from "Fatherland" and is consequently happy. We congratulate him.

Mr. J. Britton is now an issuer of marriage licenses. The first license he issues should properly be in favor of Mr. J. Britton.

Mr. Reeves, plasterer, left for Winnipeg Monday morning, where he will remain all summer. His son Charles goes up in about a couple of weeks.

Mr. and Mrs. H. Davis, of Winnipeg, who have been down visiting their Lindsay friends for a few months, returned Tuesday. He reports good times for mechanics there.

Mr. G. W. Blair, for several years carrying on business in the tailoring line in this town, left Wednesday for Trenton, where he opens up there. We trust he will meet with success in his new venture.

Harry Dean, son of engine driver Dean, of the Whitley, and who it will be remembered met with a very serious accident in the south last spring, died on Saturday last at his home, Whitley. The young man was well-known in Lindsay, where he had many friends and who will hear of his untimely death with regret.

Mr. D. H. Cooper, son of Mr. Joseph Cooper, of this town, is home on a short visit to his father. He is located at Brandon, has a good practice and likes his western home much more than he does the east. He is also connected with the York Farmers Colonization Company, and it was this business that has brought him to Ontario.

Mr. Jas. Roberts left Wednesday for Bobcaygeon, where he will at once enter on his new duties as constable of Bobcaygeon. Any wrong-doers round Bobcaygeon will make a note of this and conform more to the established rules of society if they do not desire a close acquaintance with Mr. Roberts in his professional capacity. In other respects they will find him a genial-hearted soul.

Spring Assizes.

Before Chief Justice Wilson.
The spring assizes opened here Monday and the number of cases was quite large, but only three were criminal. Of these the Fee case was the most interesting.

GRAND JURY.

The following gentlemen composed the grand jury:
John H. Sotheman, foreman; Robt. Adam, John Ashman, Timothy Collins, Thos. Davidson, Isaac Elford, John A. Ellis, Andrew Faulkner, Jas. Farrell, Jon. Luens, Chas. McInnis, Thos. Moncrieff, Peter Murdoch, Hugh Ray, Robt. Spier, Wm. Stewart, Jere Sully, David Short, Jas. Suddaby, Samuel Swanton, William Thurston, Jas. Farrell and Jas. L. Winters.
In their presentation the grand jury expressed their pleasure at finding so few cases of personal violence before them, and that the jail was kept in good condition and the prisoners well attended to.

The following are the cases disposed of up to yesterday:
MONTGOMERY vs. STEWART.—Action for trespass brought by one John Middleton against Robert Stevie and Thomas Steele disputing the title to about ten acres of land taken from the plaintiff by the defendants. The land was part of lot 7, con. 5 of Verulam. The plaintiff relied

upon old surveys, and the defendants who committed the trespass claimed the land on the strength of having discovered two new original posts. Had the defendants succeeded the boundaries of several lots along the eighth and ninth concessions would have been altered by this decision. The case lasted all Monday and part of Tuesday. The evidence was chiefly that of surveyors. Verdict for plaintiff and \$50 damages. John A. Barron and J. G. Blackstock for plaintiff; Hudspeith & Jackson for defendants.

DAVIS vs. OLIVER.—Action of damages for failure in delivering a quantity of ties. Settled between the parties. John A. Barron for plaintiff; R. H. Dennis-town for defendant.

DELAWARE vs. STEELE.—Action of damages for taking a quantity of pine and for slander. Record withdrawn, each party paying their own costs. D. J. McIntyre for plaintiff; John A. Barron for defendant.

TREMEER vs. MILLER.—An action by Thomas Tremeer, formerly bailiff of the Woodville division court, against George W. Miller, clerk and the Canada Guarantee Company his sureties the balance due him for bailiff's fees. When the plaintiff resigned the bailiffship he had a settlement with the clerk, when the sum of \$410.43 was found due him for bailiff's fees, but as this settlement is not binding upon his sureties the plaintiff asked to have it referred to the local master to ascertain the amount due him. To this the defendants objected claiming that nothing was due, but after hearing evidence the judge referred to the master as asked for by the plaintiff to take the accounts between the parties. G. W. Hopkins for plaintiff; T. Stewart for defendant; Miller, W. H. Clement, of McCarthy, Oiler & Co., for defendant Canada Guarantee Company.

MOORS vs. SMITH.—Action on promissory note for \$510 given for a threshing machine. The defence was that notes were improperly stamped and that debt barred by statute. The defendants, who reside in Muskoka, had not arrived before the case was reached and verdict was given for the plaintiff. Hudspeith & Jackson for plaintiff; John McSweeney for defendant.

SWARTMAN vs. CHEATHAM.—Withdrawn.

MERRY vs. ONTARIO BANK AND CROSBY vs. DOUGLAS.—These cases were transferred for trial to Toronto.

QUINN vs. McHale.—Rape case. Judgment for plaintiff.

QUINN vs. FEE.—A charge of perjury by Patrick B. McIlhargery arising out of a division court suit at Lindsay on the 25th day of September last by the defendant, McIlhargery, for damages done by his plaintiff's cattle to defendant's oats. The evidence upon which the charge was based was only partly taken down by the acting judge who tried the case, which evidence on the trial was in part supported by Mr. McIlhargery, Mr. Devlin and others, a large mass of evidence was given for the Crown and defendant which was very conflicting, establishing the fact that the evidence upon which the charge for perjury was based was not fully and correctly stated as given on the division court suit trial, and if the whole of defendant's evidence had been taken down there might not in all probability have been sufficient grounds on which to formulate a charge for perjury. Notwithstanding the conflicting evidence the learned chief justice charged against the defendant, and the jury after being out for nearly 3 hours rendered the verdict of "guilty" with a strong recommendation to mercy. Legal objections by defendant's counsel were raised in his favor, upon which leave is reserved to move against the verdict and the defendant is advised he will ultimately succeed in setting aside the verdict pending which motion further action is stayed until our next assize court. Wm. Kerr, G. O. O'Connell, for Crown; T. B. Blackstock, Martin & Hopkins, for defendant.

SONYA.

PROFESSOR SALVIN, whose name and reputation may be looked upon as a reliable guarantee for the excellence of any musical entertainment conducted under his direction, gave a concert here last evening in connection with his class. The evening proved favorable, and a good turnout was the result. The young people were in high glee, and discussed, in most excellent style, a rich programme of sacred songs, solos, duets, etc., interspersed with readings of suitable inter-

vals. Prof. Salter deserves the highest praise as a music teacher, and his reputation will increase the more he is known.
