Headache... Lydia E. Pinkham's... Jabez Snow, Canning Cove, N. S., writes: "I was completely prostrated with the asthma, but hearing of Dr. 'Phonix' Electric Oil, I procured a bottle, and it done me so much good that I got another, and before it was used I was well. My son was cured of a bad cold by the use of half a bottle. It goes like wild-fire, and makes cures wherever it is used."

Mr. Henry Marshall, reeve of Dunn, writes: "Some time ago I got a bottle of Northrop & Lyman's Vegetable Discovery from Mr. Harrison, and I consider it the very best medicine extant for dyspepsia. The medicine is making marvellous cures in liver complaint, dyspepsia, etc., in purifying the blood and restoring manhood to full vigor."

Leading druggists on this continent testify to the large and constantly increasing sales of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, and report the beneficial effects upon their customers, troubled with liver complaint, constipation, dyspepsia, impurity of the blood, and other physical infirmities, as a female medicine, it has accomplished remarkable cures.

Those who desire sensation and stupify the patient to believe suffering makes a grave mistake. They proceed upon the false idea that it is legitimate to procure relief from pain by destroying physical sensibility. This method, carried to the last extremity, would kill the patient to end suffering. It is not pronounced that Lydia E. Pinkham's Vegetable Compound will raise the dead but it often does restore those who are given up as hopeless cases.

The Great German Inventor is the Marvel of the medical world. It never fails to completely cure nervous debility, impotency, mental depression, and all diseases caused from excess. The testimony of thousands can be had by writing to J. Cheney, Toledo, Ohio, sole agent for the United States. Price \$1 per box, six bottles for \$5. If your druggist does not keep this remedy, send headquarters and get the medicine by mail. Circulars and testimonials on application.
