THOUSANDS UPON THOUSANDS. Of dollars have been spent in advertising the celebrated Burdock Blood Bitters, but this fact remains only in part for its enormous sale. Its merit has made it what it is—the best blood medicine ever devised by man.—64-2.

Mrs. O'Hearn, River street, Toronto, uses Dr. Thomas' Electric Oil for her cows for cracked and sore teats; she thinks there is nothing like it. She also used it when her horses had the epizootic with the very best results. Do not be persuaded to take any other oil in place of Dr. Thomas' Electric Oil.

Burdock Blood Bitters cures scrofula, erysipelas, salt rheum, piles and all humors of the blood. Cures dyspepsia, liver complaint, biliousness, constipation, drowsy kidney complaints, leadache, nervousness, female weakness and general debility, when used in time.—64-2.

The progress of medical enlightenment has led to the abandonment of many antiquated remedies of questionable value, and the adoption of newer and more rational ones. Prominent among the latter is Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, the justly celebrated Blood Purifier, a comprehensive family remedy for liver complaint, constipation, indigestion, and physical energy, and female complaints.

Anna Hadgin, Toronto, writes:—I have been a sufferer from dyspepsia for the past six years. All the remedies I tried proved useless, until Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure was brought under my notice. I have used two bottles with the best results, and can with confidence recommend it to those afflicted in like manner.

Every Person to be a Real Success in this life must have a speciality; that is, must concentrate the abilities of body and mind on some one pursuit. Burdock Blood Bitters has its speciality as a complete and radical cure of dyspepsia, liver and kidney complaints, and all impurities of the blood.—64-2.

Grant it Out. The above is an old saw as savage as it is senseless. You can't "grant out" dyspepsia or liver complaint, nor nervousness if they once get a good hold. They don't remove themselves in that way. The taking a few doses of Burdock Blood Bitters is better than "granting it out." What we can cure let's not endure.—64-2.

A Great Discovery. That is daily bringing joy to the homes of thousands by relieving many of their dear ones from an early grave. Truly is Dr. King's New Discovery for consumption, coughs, colds, asthma, bronchitis, hay fever, loss of voice, tickling in the throat, pain in side or chest, or any disease of the throat and lungs, a positive cure, guaranteed. That bottles free at A. Higinbotham's drug store. Large size \$1. (6)

When it is more commonly known that consumption is not an entity or peculiar form of disease that can be indicated by a cure-all or specific, but is rather a wasting away or tissue starvation from lack of nerve power, and failure of food supply owing to indigestion and mal-assimilation, it will cease to irritate and over-stimulate the organic functions by strychnine, whiskey and opium preparations, which do positive harm and resort only to those sources of energy nature furnishes for the sustenance of the body, as combined in Wheeler's Bilear of Phosphate and Calceary.

WHI also be found —REPLETE— And put down to the LOWEST LIVING PROFIT. A call solicited. G. A. GIBSON.
