GAS.—Mr. Neelands has had almost upper allee success with it in Canada and has no unparalled success with it in Canada and has no objection to being called a disciple of Dr. Colton. He has used it uninterruptedly for nearly 16 years, and given it to thousands of persons with the most perfect satisfaction. One gentleman, a physician, has taken it at different tleman, a physician, has taken it at different periods some seven or eight times to get teeth out, and always speaks in its favor. Mr. Neelands knows numbers of persons who have been ill for years and have had their health restored after taking gas and getting their diseased teeth out. Mr. Neelands made a special study of this gas under Dr. Colton, of New York, the inventor of gas for extracting teeth without pain, who has given it up to April 29th, 1882, to 128,161, without an accident. Liquid Gas was introduced by Mr. Neelands in March, 1882. Electricity also used—was introduced by him 16 years ago. All other operations connected with the teeth skilfully performed. A book on 'teeth sent to any address free of charge. Call and see his thousands of beautiful teeth. Office—next door to R. Smyth's store, Private residence—Mill street, near hent Persons from a distance will pleas—send postal card a day or two before coming.
