Boy Burglars in Markham.

The existence of an extraordinary organization in this village has just been discovered. It consisted of a number of young boys, who, promoted by the literature which is retained at ten cents per volume, formed themselves into a band for the purpose of burglarizing such residences in the village as they could effect an entrance into.

What Boys Wish to Become.

When a boy has ceased to wish to be a clown he desires to drive an engine, and when that ambition has passed his next wish is to go to sea, and from it to observe the uniformity of opinion among boys on these matters.
