Points of Excellence: 1st, Weighs only one ounce. 2nd, Perfect ventilation, air circulates freely under pad. 3rd, constant pressure, in speaking the tongue acts as a valve in the mouth, which causes corresponding pressure immediately on the hernia. The pad is so perfect that it instantly imitates the motion of the tongue when speaking.

This truss is the result of a life's study and 18 years' material experience.

Lottie Howard writes from Buffalo, N. Y.:—My system became greatly debilitated through arduous professional duties; suffered from nausea, sick headache and biliousness. Tried Burdock Blood Bitters with the most beneficial effect. Am well as ever.—70-2.

What Toronto's well known Good Samaritan says:—I have been troubled with dyspepsia and liver complaint for over 20 years, and I have tried many remedies, but never found an article that has done me as much good as Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure.

A Rope about our Necks.
A weak stomach or feeble circulation is like a rope about our necks. We are strung up and unstrung alternately till existence becomes unbearable. Burdock Blood Bitters will arrest all this misery. Burdock Blood Bitters is a boon to the sick. Let us remember this fact.—70-2.

Liver, Kidney and Bright's Disease.
A medicine that destroys the germ or cause of Bright's disease, diabetes, kidney and liver complaints, and has proved to root them out of the system, is above all price. Such a medicine is Hop Bitters, and positive proof of this can be found by one trial, or by asking your neighbors, who have been cured by it.

As a brain and nerve restorative the use of Dr. Wheeler's Elixir of Phosphates and Calaisya is founded on well established physiological and chemical laws, since it is composed of those elements in our food that contribute directly to the nutrition of the nerve ganglia—the batteries that generate nerve force. In nervous debility it is 70 per cent, greater value than Phosphorus pure, in pill or solution, or as Hypophosphites.

If Mrs. Lydia E. Pinkham has not really discovered the Pinkix wine, which the ancient Alchemists sought by so much patient research and persistent experiment, her medicine seems, at least, likely to command an immense sale and universal popularity in the future. If rapid progress and eminent success furnish any basis for a correct judgment, Mrs. Pinkham is a most promising competitor for such honorable distinction as the alchemists failed to achieve.

These are Solid Facts.
The best blood purifier and system regulator ever placed within the reach of suffering humanity, truly is Electric Bitters. Inactivity of the liver, biliousness, jaundice, constipation, weak kidneys, or any disease of the urinary organs, or whoever requires an appetizer, tonic or mild stimulant, will always find Electric Bitters the best and only certain cure known. They act surely and quickly, every bottle guaranteed to give entire satisfaction or money refunded. Sold at fifty-cents a bottle by A. Higginbotham.

The Bad and Worthless are never imitated or counterfeited. This is especially true of a family medicine, and it is positive proof that the remedy imitated is of the highest value. As soon as it had been tested and proved by the whole world that Hop Bitters were the purest, best and most valuable family medicine on earth, many imitations sprung up and began to steal the notices in which the press and the people of the country had expressed the merits of H. B., and in every way trying to induce suffering invalids to use their stuff instead, expecting to make money on the credit and good name of H. B. Many others started nostrums put up in similar style to H. B., with variously devised names in which the good word "Hop" or "Hops" were used in a way to induce people to believe they were the same as Hop Bitters. All such pretended remedies or cures, no matter what their style or name is, and especially those with the word "Hop" or "Hops" in their name or in any way connected with them or their name, are imitations or counterfeits. Beware of them. Touch none of them. Use nothing but genuine Hop Bitters, with a bunch or cluster of green hops on the white label. Trust nothing else. Drug-

gists and dealers are warned against dealing in imitations or counterfeits.

Worms derange the whole system. Mother Graves' Worm Exterminator destroys worms, and gives rest to the sufferer.

A Startling Discovery.
Physicians are often startled by remarkable discoveries. The fact that Dr. King's New Discovery for consumption and all throat and lung diseases is daily curing patients that they have given up to die, is startling them to realize their sense of duty, and examine into the merits of this wonderful discovery; resulting in hundreds of our best physicians using it in their practice. H. F. McCarthy, wholesale and retail druggist, Ottawa, writes:—"I was afflicted with chronic bronchitis for some years, but have been completely cured by the use of Dr. Thomas's Electric Oil in doses of five drops on sugar. Would you avoid the bilious complaints incidental to spring and summer? Cleanse the system with Burdock Blood Bitters. It regulates the liver, bowels, kidneys and blood, and is the purest tonic in the world. Trial bottles 10c.—68-2.

Fear Not.

C. C. Jacobs, Buffalo, N. Y., says:—"Dr. Thomas's Electric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy, besides two Buffalo physicians, without relief; but the Oil cured him; he thinks it cannot be recommended too highly. There being imitations on the market of Dr. Thomas's Electric Oil, customers will see that they get the genuine."

A Secret.
The secret of beauty lies in pure blood and good health. Burdock Blood Bitters is the grand key that unlocks all the secretions. It cures all scrofulous diseases, acts on the blood, liver, kidneys, skin and bowels, and brings the bloom of health to the faded cheek.—68-2.

Mr. L. A. Knight—DEAR SIR,—I have suffered from asthma since 1876, and since 1879 have had it constantly until I found relief in your medicine. I commenced taking your Asthma Cure the 1st of last Sept., and in a very few days after taking it and bathing as directed, I was greatly relieved. Since that time I have constantly kept it in my house taking it as needed. Knight's Asthma Cure is the best medicine I have ever taken. I send this testimonial as an appreciation of what it has done for me and for the benefit of suffering asthmatics. Yours truly, NAPOLEON PAQUETTE.

BILLIQUIN, sick headache, sour stomach, water brash are quickly removed by using Dr. Petti's Australian Blood Purifier.—65-3.

The American brig Mary Celeste, 260 tons register, under the command of Captain Bob Fleming, sailed from New York last week. Ten days ago a British merchantman sailing the Mediterranean sea the Mary Celeste a few miles to the seaward with all sail set, yet behaving in such a manner that a sailor could see that something was wrong. Receiving no answer to their hail, they boarded her, and the sight that greeted them excited a feeling of intense curiosity. Every sail was set; the tiller was lashed fast; not a rope was out of place; everything below and aloft was in perfect order; a fire was burning quietly in the gallery; dinner was standing unopened, and scarcely cold; the cargo in the hold was intact; the pumps were dry; no one, living or dead, was on board. The sailors searched vainly for an explanation of the sudden disappearance of the captain, his wife, his child and crew. The log, written up to the hour of her discovery, showed that she hailed from Boston. There was not a drop of blood, lock of hair, disordered room, or anything to show signs of a struggle. The boats were in their places. There was not the slightest clue by which a reasonable hypothesis could be advanced to explain where the crew had gone, and from that day to this not the slightest clue has been obtained by owners, nor have they ever been able to frame an explanation of how she was abandoned. Captain Fleming says that she has been a lucky ship ever since, that never a ghost or spook of those who vanished has ever appeared on her since. In the cabin a child's toys were scattered around and a woman's work was still under the needle of the sewing machine.
