One of the features of the Dominion
 day celebration at Ottawa will be an or-
 ation by Sir John A. Macdonald; if his
 health will permit of it.
 Mean people take advantage of their
 neighbor's difficulties to annoy them.
 Mean diseases, such as cholera, rheumatism,
 constipation, dyspepsia, malaria, lame
 back, etc., take advantage of people's ex-
 posedness and attack them. It is a fact
 that Kidney-Wort appears on the field
 and by its timely agency puts to rest
 this flock of evil spirits. It is a friend
 in need and therefore a friend indeed.

O. Bortle, of Manchester, Ontario Co.,
 N. Y., writes:—"I obtained immediate
 relief from the use of Dr. Thomas' Elec-
 tric Oil. I have had asthma for eleven
 years. Have been obliged to sit up all
 night for ten or twelve nights in suc-
 cession. I can now sleep soundly all night
 on a feather bed, which I had not been
 able to do previously to using the
 Oil."
 A Run over Drug Store.
 Never was such a rush made for any
 drug store as is now at A. Higginbotham's
 for a trial bottle of Dr. King's New Dis-
 covery for consumption, coughs, colds,
 croup, etc. All persons afflicted with
 bronchitis, hoarseness, severe coughs or
 any affection of the throat and lungs, can
 get a trial bottle of this great remedy
 free, by calling at the above drug store,
 Regent street.

That no mischief may be done, it is
 necessary that remedies placed before
 the public for general use should be the
 outcome of medical minds, experienced
 in the nature and action of drugs and
 the form of energy they express in the
 organism. The mixture in the codrion of
 the wicks of Macbeth would be as ra-
 tional medication as such of the villanous
 stuff every day taken by the credulous
 for the cure of disease. It is a grati-
 fying and notable fact that since the in-
 troduction of Wheeler's Phosphates and
 Galesby's Remedial results have ever
 been occasioned by it.

Well Remembered.
 A liberal reward will be paid to any
 party who will produce a case of liver,
 kidney or stomach complaint that Elec-
 tric Bitters will not speedily cure. Bring
 them along, if it will do you nothing for
 the medicine if it fails to cure, and you
 will be well rewarded for your trouble
 besides. All blood diseases, biliousness,
 jaundice, constipation, and general debility
 are quickly cured. Satisfaction
 guaranteed or money refunded. Price
 only fifty cents per bottle. For sale by
 A. Higginbotham. (5)

 "Mother Swann's Worm Bypurp."
 Infalible, tasteless, harmless, cathar-
 tic; for feverishness, restlessness, worms

The Bad and Worthless
 are never limited or counterfeited. This
 is especially true of a family medicine
 and it is positive proof that the remedy
 imitated is of the highest value. As soon
 as it had been tested and proved by the
 whole world that Hop Bitters were the
 purest, best and most valuable family
 medicine on earth, many imitations
 sprung up to beguile and steal the notices
 in which the press and the people of the
 country had expressed the merits of H.
 B., and in every way trying to induce
 suffering invalids to use their stuff in-
 stead, expecting to make money on the
 credit and good name of H. B. Many
 others started nostrums put up in simi-
 lar style to H. B., with variously de-
 vised names in which the good word
 "Hop" or "Hops" were used in a way
 to induce people to believe they were
 the same as Hop Bitters. All such pre-
 tended remedies or cures, no matter
 what their style or name is, and es-
 pecially those with the word "Hop" or
 "Hops" in their name or in any way
 connected with the name of their name,
 are imitations or counterfeits. Beware
 of them. Touch none of them. Use
 nothing but genuine Hop Bitters, with
 a bunch or cluster of green Hops on the
 white label. Trust nothing else. Druggists
 and dealers are warned against
 dealing in imitations or counterfeits.

Mr. L. A. Knight:—DEAR SIR,—I have
 suffered from asthma since 1876, and
 since 1879 have had it constantly until I
 found relief in your medicine. I com-
 menced taking your Asthma Cure the 1st
 of last Sept., and in a very few days after
 taking it and bathing as directed, I was
 greatly relieved. Since that time I have
 constantly kept it in my house taking it
 as needed. Knight's Asthma Cure is the
 best medicine I have ever taken. I send
 this testimonial as an appreciation of
 what it has done for me and for the bene-
 fit of suffering asthmatics. Yours truly,

At a Loss for a Definition.
 A special officer was telling in court of
 his own and an associate officer's stealthy
 search and arrest of a man who was en-
 gaged in fishing pockets:
 "After we had followed him a while,"
 the officer said, "he tumbled to us."
 "That is a professional phrase that I
 don't know the meaning of," said the
 court, indignantly. "You will have to
 make it clear to the jury."
 "Well, I mean he caught on to us."
 "Caught on?"
 "Yes; that is, he—well, he pipped us."
 "See now that he discovered you, I
 suppose," said District Attorney Graham.
 "That is it," replied the officer, with
 an expression of relief, "he tumbled that
 we were on to him."

SUTHERLAND'S
RHEUMATINE
THE GREAT CURE FOR
RHEUMATISM
 And all complaints of a Rheumatic nature.
RHEUMATINE is not a sovereign remedy for
 all the ills that flesh is heir to, but for NEU-
 RALGIA, SCIATICA, RHEUMATISM, and
 other Rheumatic affections.
IT IS A SURE CURE
 From Mr. N. H. Pawling, one of the larg-
 est Fruit Growers in the Co. of Lincoln
 LOUTH, April 29th, 1881.
 J. N. SUTHERLAND, Esq., St. Catharines, Ont.
 DEAR SIR,—I am much pleased to be able to
 inform you of the marked improvement in the
 condition of my wife, since she has used the
 "Rheumatine."
 For upwards of four years she has been unable
 to leave her chair without assistance; the greater
 part of the time her hands, feet and limbs have
 been much distorted and almost powerless, while
 her sufferings from pain have been constant,
 frequently excruciating.
 Four bottles of your preparation have driven
 away her pain, restored sleep, and by restoring
 the vitality of her joints, have so much im-
 proved the action of her joints that she can now
 feed herself at the table, and be carried from
 room to room without suffering pain. The bene-
 fit to her has been wonderful, and should it
 cease now I should still feel that a great obliga-
 tion rests upon you for your kindness in bring-
 ing relief within my reach. I hope, however,
 to find even greater results from the use of the
 remedy.
 Yours truly,
 N. H. PAWLING.
