For His Brother's Sake.

The governor pardoned John Brisben, a notorious convict, to-day. He was sent up from Bowden for fifteen years for forgery, and had ten years yet to serve. Our readers are familiar with the history of this case, and the humane action of his Excellency will be generally commended. Frankfort (Ky.) Yeoman.

itors, and a sheriff's officer closed out his business. Again he turned to his brother for help and sympathy. "I own that I managed a wife carelessly," he said by way of explanation. "Experience is a dear teacher, and the lesson I have learned I shall never forget. If you come to my assistance now I can soon recover myself."

him before he was removed to Frankfort, but their interview was a private one. Joseph Brisben remained at the farm, but he was a changed man. From the day of his release from jail down to the time he touched a card, and a drop of liquor never passed his lips. Last April he died, and his confession, duly sworn to before a justice of the peace, was made public after his burial. In substance it was this: That he was guilty of the forgery for which his heroic brother was suffering a long imprisonment.

MIDDLETON & CO.

A NOTED BUT UNTITLED WOMAN. (From the Boston Globe.)

Editors:—The above is a good likeness of Mrs. Lydia F. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Women," as some of her correspondents love to call her.

She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it.

On account of its proven merits it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhoea, irregular and painful Menstruation, All Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes fatness, indolence, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1 per bottle or six for \$5, and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaints of either sex this compound is unsurpassed as an abundant testimonial show. "Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Biliousness and Torpidity of the Liver. Her Blood-Purifier works wonders in its special line and bids fair to equal the Compound in its popularity."

All must respect her as an Angel of Mercy whose sole mission is to do good to others. Mrs. A. J. L. B.
