Correspondence of The Warder THE next monthly meeting of the M.C. Temperance Association will take place on Friday, Sept. 14th, when there will be an entertainment given by the association. All interested will please

Signals,—A daughter of Mr. Jno. Rainbird, of this section, has been for some time seriously ill of inflammation of the spine. Under the care of Dr. Mc-Alpine we are pleased to learn she is now measuring.

JANESVILLE.

lones of the Mr. J. Burn is do g so an extensive a business that he has erect an addition to his already larger to the ene he has is not the ene he has is not requirements of the blic.

HARVEST.—The spring wheat is nearly all out in this section of Manvers, and it has turned out better than the fall wheat. Threshing is the order of the day to make room for the oats and leas, which is coming in very fast. The otalogs have been struck badly with easier frost or blight, which has stopped the growth, and they will not be so good a grop as was expected some time ago. some time ago.

GOODESHAM.

Correspondence of the Varder. THERE is not much talk now about our railway, and I believe the thing is dead for the present.

Mrs. Minty, who lately left here for Feneion Falls, has eturned and is now going her usual counds visiting her friends.

Ma. J. W. Graham is doing quite a business in the blacksmithing here. In fact all our business men seem to be getting along well. I FORGOT to mention that Mr. B. Way has also got an an agan and he is making quite an improvement in his fine hotel, which gets the name of being the best in

Our friend Mr. ball has got an organ-ette and I tell you be enlivens us up, as he has some beautiff music, and we have quite a few enjoyabl

HARVEST has been very slow in coming in and the grain ripe sunevenly. Wheat will be below the average in this section, and barley as well. Peas and outs are

Sickness.—Mr. hos. Greaves, who has been confined weeks with erysipe in his right arm, is we are glad to say the fer the duties of the farm, but is not

yet able to work. SABBATH BREAK RS.—One week ago last Sabbath parties ame from the north side of the lake an had a lively time shooting about the outh of the creek. On their return hon they engaged in a race, two being in lead, when the cano occupants were cast getting his teet fast for the timely assistance of the other two, who were in a skiff and who helped them out of the water, they oubtless would have gone to the bottom; one being a \$75 gun Sabbath breakers.

A good lesson to Sabbath breakers.

Constable Nevison, whom they followed with commendable docility, and who placed them in durface vile until evening, when they were taken before Robert McArland, J. P., o the charge of having unlawfully deerted their employment. The evidence proved that they were hired in Ott ra by McArthur & Thomson's agent, we paid thair board bill and travelling appears, amounting to about \$17 per man, and that after working only three or four days in the mill they refused do so any longer, though still consider bly in the employers' debt. The do nee was that they were hired to go to shanty and found the labor in the mill too hard; but the truth of the first all gation was denied. The magistrate gave hem the option of returning to the mill intil they had cleared off the score again them the mentioned alternatives.—[Gazette.]

Constable Nevison, whom they followed with commendable docility, and who had the mind and who had the mind until they had cleared of the score again them or going to jail for thirty days it hard labor, and they preferred the it mentioned alternative.—[Gazette.]

Constable Content of the content of the community in the Roy.

THERE is consider the sickness in this section at present. Hooping cough appears to be the more prevalent. pears to be the more

stood on end.

IMPROVEMENTS.—

IMPROVEMENTS.—

Tripp is still improving his store is putting in extra shelves which were rater needed on account of his large will in a day or two. He has also placed in his store large glass at we case.

Personal.—Mrs. on Brain is visiting in the west. Mr. Do the United States, is Tolmie's. Mr. Mur much from paralysis since he removed across the border.

Hamilton was also recently visiting friends here.

ROWDYHM.—Our to a good deal of annual rance on Sabbath arties from Lindsay, who had been to lenarm indulging in the cup that inebrates. It is a pity that such individuals have so little respect for the Sabbath they have none

### KINMOUNT.

Wilson, the Rev. M ars. Soward, Burt, Wilson, the Rev. M ars. Soward, Burt, Warden about Go lerham I take the liberty of sending yr a few lines to let you know how we are progressing in this section of country. Yearly all the farmers around here are one harvesting and I believe there never was a better crop harvested both in quality.

BALSAI LAKE.

Correspondence of the arder.

Our school opene some time since under the tuition of M. J. C. Rodgers.

Notes.—About the list week of August our mail carrier received from Mr. Jas.

Hambeen, of Lindsa a strong and improved spring board of run between here and Victoria Road of te.

Harvest has been very slow in coming in and the grain ripe is unevenly. Wheat

HALIB RTON. Correspondence of the garder Mr. Wm. Martin goes into the woods this week for his winter's work. He takes out square time ber this year for Mr. Irwin in the township of Ayr, and many miles north of this face. Mr. Martin is an old and experienced shantyman and fully understands the lumbering business, and is besides quit whom he employs. There will be three township this wifer, all taking out square timber for the Quebec market. This is a good point for hewers and good choppers to make for the last week we had

In the standard of the water, one getting his late fast at the cance. Only for the timely assistar to of the other two, who were in a skiff at I who helped them out of the water, they could have gone to the bottom, as did their guns, one being a \$75 gun A good lesson to Sabbath breakers.

FENELON FALLS.

Going Ur.—Mr. I ead's brick store on Colbourne street is bring pushed to completion as rapidly as possible, and when hinshed and roofed with iring, as intended, it will be one of the best and most aubstantial building in the village. The wooden workshop 2 the rear is being covered extensibly whit ith, which will make their distributions of the north wall of lock No. 2 he salready been commenced. The work is being done with the utmest care, every plock having to be laid just so, and no other way, before the net is takeled and hole of the near and hot of the north wall of the No. 2 he as lready been commenced. The work is being done with the utmest care, every lock having to be laid just so, and no other way, before the net is takeled and hole of the north wall of the No. 2 he as lready been commenced. The work is being done with the utmest care, every lock having to be laid just so, and no other way, before the net is takeled and hole of the north wall of the No. 2 he as lready been commenced. The work is being done with the utmest care, every lock having to be laid just so, and no other way, before the net is takeled and hole in the gound.

IN THE CARL—The care of the work is being done with the utmest care, every lock having to be laid just so, and no other way, before the net is takeled and hole in the ground.

IN THE LOCK—The Last Threeday air Freenemen of the work is being done with the utmest care, every lock having to be laid just so, and no other way, before the net is taked of including the contraction of a tick of timbe in the disagraph of the contraction of the north wall of the proposed to t

From an occasional correspondent FARM hands are receiving \$1.75 per

day. Threshing machines scarce. Mr. Joseph Hawkins has workmen engaged raising his house, preparatory to its being bricked. When finished it will

present a fine appearance. FALL wheat and barley are housed. A GHOST.—Mr. A gus Johnston was at Mr. Tripp's the of the evening and on his return home me to black dog. He picked up a stone to the from at it, but it had vanished. Then Mr. Johnston's hair crop. Oats will be better than they have the post for the root for the ro been for the past few years if not injured by frost. Potatoes on low land are a

### BELL

EAST.-Mr. T. L. HARVESTING MA Davies cut and bour ten acres of barley with the Patterson I vester in eight hours without abusing the horses. It is undoubtedly a splendin article.

IMPROVEMENTS.— fr. Robert Robert-son has erected a go frame stable and driving shed; Mess Wm. Jackson and John Murdoch splen id frame barns, and Mr. Thos. Kennedy frame house.

CROPS.—Considering the amount of rain-fall we had in the spring the injury resulting to crops we not so great as expected. Oats and triey are unusually good, and spring and fall wheat at least a good average crop.

COUNCIL PROCEEDINGS. - The council met at the council chamber, Lindsay, on the 30th ult. Members all present ex-SAD ACCIDENT.—A had accident happened to Mr. Purcel Cheziar at R. J. Mills' shingle mill. He was sawing the bolts with the Britton saw; the saw jumped and caught his are and tore the flesh badly. It was dresse by our Dr. and is doing as well as can expected.

the 30th uit. Members all present except Coun. McLean. Minutes read and approved. Mr. Shanahan was heard respecting some work he had done, and after explaining his charge was ordered to be paid. The following accounts were passed: Jas. Corley, for ditching drain at lot 20, \$7; John Dunn, gravelling on the Omember all present except Coun. McLean. Minutes read and approved. Mr. Shanahan was heard respecting some work he had done, and after explaining his charge was ordered to be paid. The following accounts were badly. It was dresse by our Dr. and is doing as well as can be expected. Church Opening. We had a grand day here at the open g of the new English church on F day. The opening ceremony commence at about 11 o'clock by the curate, Mr. and readily the requisition to his his hip the Patrop to consecrate the edification to the worship of God. The processity was headed by the churchwarders, Mars. Soward, Burt, Cather, Dr. Halcone the Lord Bishop

home on Saturday evening. During his absence Dr. J. W. Ray attended to and

answered all professional calls. SHOOTING ACCIDENT,—On Friday last Thomas Morgan, a lad of about fifteen years of age, in company with some four other lads, was out shooting. Through carelessness or want of knowledge how to use the gun when loading he accidentally received the charge of shot in his hand. He had his hand on the muzzle after loading when by some means the charge exploded, and strange to say none of the shot went through the hand. He was immediately attended to by Dr. Ray in the absence of Dr. Vrooman, and is I believe getting along very well. Several of the shot have been extracted.
