LINDSAY CENTRAL SHOW.

In addition to those enumerated last week as large exhibitors at the Lindsay Central we should not do justice did we not mention the displays of of our manufacturers and many Lindsay merchants. As usual Mr. R. Sylvester showed his enterprise by a splendid array of Diamond steel ploughs, besides several gang ploughs, as well as the celebrated Triumph reaper,

The principal new feature of the exhibition was, however, the beautiful displays made by our merchants, and which added as much as anything to the general success. There were of course no prizes offered for this but it was done purely to assist. Among these were Messrs. Britton Bros., A. Campbell, Soanes, Keighley, Sootheran, Cathro & Mark, Bradburn & Co., McTavish and many others. Mr. Logan also showed some very fine organs from the Dominion Organ Co., which added much to the pleasure of those attending the exhibibition by their beautiful tone. He also showed a number of the White sewing

There were besides many exhibits of interest both in manufactures and also live stock, but space forbids further notice. The more successful exhibitors will find full justice done them, however, in
