

THE CROWN HOT AIR DRUM STOVE

It radiates twice the amount of hot air of any other drum stove. Call and get every information about them.

Manufactured only by E. McFEELY, Store, Tinsmith and Coal Oil Depot, east end, Kent St., Lindsay.

The Victoria Warder FRIDAY, OCTOBER 12, 1883.

GRAIN begins to come in more freely, but as yet not so fast as usual at this season. Low prices have no doubt something to do with it, but the lateness of the harvest has delayed threshing and all farm work is behind.

The only material known, in which all the essentials or requisites for a perfect dental plate are combined, is English Black Rubber, as manufactured by thousands of dentists. Mc Cross is the only dentist in Lindsay who makes the genuine English Black Rubber plate.

A desperate attempt was made by three convicts in Kingston penitentiary to escape on Saturday afternoon. It is believed that had they not been frustrated their design was to let loose the whole of the seven hundred prisoners in the institution. One of the men was concerned with three others in a successful attempt two years ago, but was afterwards recaptured.

The Only Genuine Clearing Sale

OF DRY GOODS, CLOTHING

BOOTS AND SHOES,

Where the Goods have been GOING at GENUINE CLEARING PRICES,

ARE STILL GOING AT HALF THEIR VALUE, AND WILL CONTINUE GOING AT RUINOUS FIGURES UNTIL THEY ARE GONE AT ANY SACRIFICE.

When the announcement was made 30 days ago that I was retiring from business there were many who were inclined to doubt the truth of the statement, and their doubt is not to be wondered at when we take into consideration the number of so-called "Clearing Sales" which have been announced from time to time during the past few years for the purpose of catching a little stray trade and working off a little surplus stock, but which proved on investigation to be only catch-penny frauds. However, a portion of the public with a keen lookout for their own interests, have found by glad experience that they have at last found a Genuine Clearing Sale, not one where the object is to clear off a few surplus goods, but to

Clear out the whole "Caboodle" from stem to stern.

Goods have been selling during the last 30 days at prices which they who have not seen would never dream of, and DURING THE NEXT 30 DAYS they will Sell at Prices which will Knock the Cobwebs Off the Eyes of the Skeptics and Open the Shells of the Clams, revealing the fact that they have been standing in their own light and missing golden opportunities of securing bargains.

READER, this concerns you as much as it concerns me, and a single visit will save you money, and convince you that the goods have got to go.

Table with 2 columns: Item and Price. Includes 100 Girl's Tweed Mantles, 50 Ladies' Mantles, 20 Ladies' Mantles, 20 Men's Scotch Tweed Suits, 50 pr. Tweed Pants, 1000 yds. Grey Cottons, 50 pces. Flannel Shortings, 50 " 45 inch Cashmeres, 20 " All Wool Tweeds.

But time and space would fail to give a list of one half the bargains, but one fact I wish to distinctly impress upon all is that I mean to get out of the business at any sacrifice. Come on and see for yourself, and we will show you prices that will make you happy, and make you wish you had the money if you haven't. REMEMBER THE PLACE,
