Now, there are ew men of his age who enjoy as good health as he has, I could easily name fifty persons who would testify to the facts in his case. Yours truly, W. M. PHILLIPS."

humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AVER'S SARSAPARILLA. Glover, Vt., Oct. Yours gratefully, HIRAM PHILLIPS."

AVER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelve, Eczema, Ringworm, Blotches, sores, Boils, Tumors, and Eruptions or the Skin.
