While Charles Harper, an English-man aged 21, was working at the bot-tom of a shaft in the Glendower iron mine, near Kingston, a bucket fell on his head from above, knocking him insensible. He was taken out but fied in an hour.

There is an agitation for the deep ening of the Napanee river so that reasels drawing twelve feet can pass up to the town, and Parliament will be asked to remove the bar at the the east side of the river opposite Unger's island. The Government will be saled for an appropriation of asked for an appropriation of

The Banner says that a great deal of trouble and considerable expense has seen canced to several parties by returns having seen made by the council of the township of Muskoka of certain unpaid taxes against properties in the village of Gravenhurst. For nearly six years some of these taxes are known to have been paid, and in one case property was distrained and sold to meet the taxes, and ret they were returned unpaid.

don, are both Gaelic preachers, and frequently exchange pulpits.

Mr. Wm. Perkins is buying horses at Head Lake to work on the Ripiesing section of the C. P. R. Mr. Goo. Cooper sold him one for \$110. Several young men have gone back with him.

The barges Lothair and Corisande came very near being wrecked at the entrance to Parry Sound Harbor last week on account of the lighthouse

ed and sold to meet the taxes, and yet they were returned unpaid.

An aged Scarboro farmer named Frank Angus went to Toronto on Saturday, 1st inst., with a load of hay which he sold to the proprieter of the Commercial hotel. It started for home late Saturday afternoon, and on Sunday merning the unfortunate man was found dead under his waggon beside the road. The horses had evidently become frightened and upset the waggon into the ditch, throwing Angus out. He had gone about half the distance home when the accident occurred.

For some time Mr. A. Smiffe, of For some time Mr. A. Smiffe, of the house.

Haliburton, noticed that some thief Our exchanges continue to note the swill barrel, to the detriment of the pigs he was fattening for his Christmas dinner. Mr. Smiffe determined to eateh the culprit in the act, and a few nights ago secreted himself at a convenient point for observation. Presently a large bear shuffled up and kind. The victim is appoint d a local plunged his head into the barrel, agent for the sale of the fork, and is the hind legs, lifted him up to a ver-tical position, and held him there wu-sternation, he afterwards finds out to til he was drowned.

and expired in an hour. He was walking along the line returning home after delivering a message from his father. There were several trains in the neighborhood at the time, and it is supposed the lad became confused and thought he was getting out of danger by stepping from the old to the new gauge, which however, was the line on which the engine he wanted to a junction with the main line of the Canada Fase of to avoid was running.

As for all kinds of fakirs, agents, and other plausible confidence men, the best way to treat them is to set the dogs on them.

The Port Hope Times says:—The town had a narrow escape from a seige by the Saved Army this week.

With the main line of the Canada Fase of to avoid was running.

Last week Newmarket was edified their capital stock, and to issue bonds by a domestic scene which would furnish rare material for those who are A hy law has been introduced in felicity. The head of a family named she tradph council to provide public Foresthe, has for some time born the character of a tyrant in his household, in charge of an inspector. All coal and one day list week when "laying sold in the city must be weighed on down the law" in the presence of his those scales and a ticket given to be family call of his wife an ugly name. His daughter objected, and used some words of remonstrance, when the lather struck her a brutal blow on the forehead, leaving a wound, the sear of which she will probably carry to Mr. John Carbory, who with his of which she will probably carry to the wrocked steam barge Enterprise the ire of the mother, and a regular on lake Huron, was a cousin of Mr. pitched battle ensued. The latter armed with a stick of cordwood, and terprise had gone ashere near Cook supported by the indignant family. barn Island, and a rescuing party made a desperate onslaught on the would wire his people to come up to the lifem Detroit among whom were Mr. Carbery and his son Charles, both of whom perished. Mr. Carbery for some time, and finally the head of the house retired to the back kitch.

The battle raged for some time, and finally the head of the house retired to the back kitch. on and entrenched himself in a posi-James Hogan, of Burleigh, while lion of safety. The list of casualties given notice that they will apply to was as follows: On the husband's side, a large bruise on the head and sundry minor confusions on various parts of his body, also scratches on the face which bled profusely. On Mr. Ridout, the well known surveyor the side of the family, daughter's face and civil engineer, of Toronto, has badly out, boy's hand disabled, young-been making an exploration of the

> one of the wealthiest men of Whitby. Some time ago she met Arthur Cuthbert, of Toronto, who is employed on the Grand Trunk, and fell dead in love with him. Stella is sixteen and pretty, with him. Stellate sixteen and pretty, and Archur reciprocated her affoction fully. After a time Cuthbert made known to the girl's parents his feelings towards their daughter, and asked her hand in marriage. The old gentleman got very mail, forbid the lover seeing his sweetheart ever more. Miss Stella on the other hand, was told that she must give up all thoughts of Cuthbert, and was commanded to cease commanicating with a lady triend who was cognizant of the love of the young was cognizant of the love of the young
