L. O'CONNOR The oldest and best known manufacturer of BOB SLEIGHS, PLEASURE SLEIGHS AND CUTTERS

Woolen Mills. Having bought back the above property, and having made up my mind to try my best to get the custom trade of this and adjoining counties, I have determined to

REDUCE THE PRICE OF ALL FACTORY GOODS. I WILL SELL—

Stocking Yarn, double and twisted, 45c. per lb. Single Yarn, 40c. per lb. Yard Wide Twill Flannel, white or grey, 37c. per yd.

And everything else in proportion. I used to be able when in the business before to retail all the goods I could make, and I want to do it again, and farmers or others wanting whole pieces of goods will get a special discount.

Parties who wish to sell or trade their wool will oblige by bringing it to the factory direct. They can then get their goods either at the factory or at the store, but will save us the labor of handling and carting the wool.

As it takes money to buy woollen factories all parties indebted to me will confer a favor by calling and settling their accounts as soon as possible.

Hoping to see all my old customers and as many new ones. I am, yours truly, J. W. WALLACE.
