ISSUER OF

For the Co. of Victoria.

Every one who has a

# WATCH

to get the best result from it. Much dissatisfaction and trouble is caused through want of knowledge or care-lessness, and a few hints may not come amiss:

i, there your watch cleaned as often as it formities it. Don't wait for the serit and diet is accumulate, in such quantities as to stop it first, of for the oil to dry up or evaporate oil froit. Many people make the length of time a watch will run without cleaning a test of its value and quality. A few such TESTS will run the best watch over made.

& the careful to keep your watch 8. Wind at the same time each day, and wind carefully and steadily not in a jorky manner,

4. Don't allow any one but a practical watchmaker to open the case or examine the works.

## b. If anything goes wrong take the watch to a COMPETENT WATCHMAKER

And have it put in order. Be satisfied to pay a hair price for work White point. Hotels work is dear at any price, or if dear free.

When for got a watch give it as fair froatment as you would a reaper of a lawn mower. But't expect too much of it. Memember it is a delicate piece of machinery, and like any other machine is required a reasonable amount of care

and attention.

A watch is not meant to drive tacks with not to throw at training not to hold dist. It is intended to keep time, and should have a fart chance to do it. There is no \$UVESSFUL combination of a watch and imply fattle on the market.

iniver Watches from \$10 to \$75 " %5 to 800

As to Watch Repairing we respectfully ask rant putronage, and all air work to be to coughly and carefully done. While a control of the coughly and carefully done, while a count of the coupers with interference was a control of the country work we are not precisely and work father than chean work we are not precisely work we are not precisely work was are not precisely work was are not provided work.

This is to certify that W. W. LOGAN, of Lind-say, is our only authorized agent for the Coun-ties of Victoria and Peterborough, and any other person or persons quoting prices in above coun-ties have no right or authority from us to do so. Intending purchasers will find it to their advan-tage to deal directly with our authorized agents. STRAYED CAFFLE. Three yearlings, one red buil, one red steer, and one red helfer, one white on steer and helfer, strayed into my premises two months ago. Owner will please come and take them.

No less than six sleigh loads arrived laden with fine and superfine, and all the good things necessary for the occasion, there were no less than four musicians, who Lectures.—Rev. J. Harriman and superfine of the Warder.

Correspondence of The Warder. OVERHAULED. -R. J. Mills has overhauled the shingle mill and put in a new engine. It is working good and giving entire satisfaction. STARTING UP. -Mr. J. B. Dixon's

mill has started to again cut shingles and time, and farmers are generally kept busy

a somewhat new departure in saw-milling in this county. Instead of pine lumber and ties his mill is busy cutting hardwhich was magnificently rich in appearance but of a very gloomy cast, reminding one of an old ancient cathedral. And here I must acknowledge my total ignorance of what use to the country this body of dead-heads is, who with their twaddle wood lumber, and a gang is now busy

loading it up on the cars. Mr. Mansfield is a pushing lumberman, in fact about the smartest we have. He accordingly makes many a dollar while other the 11th, on the road leading from purchase working cattle here as there is a mills are idle. THE indications here are that we shall Smith's, and has not found it yet.

have an early spring and plenty of water, so that trade will be good and business Verily, we are a great people in this Dominion and have great power of endowner.

WEATHER here is a little milder now. MADILL & Vickery are doing a large business this winter. They have at the present about nine thousand logs on the ice and several thousand piles of cedar, etc., and are still cutting and drawing for Trounce & Co. We never had such work done in this county before with the same amount of hands in the same time. It is expected to be the largest drive ever on Burnt River.
