Dentistry.

W. H. GROSS, DENTIST. NEARLY 24 YEARS' EXPERIENCE.

The call upon Mr. Gross for ENGLISH BLACK RUBBER PLATES will soon exceed his capacity to supply them. From 4 to 6 sets of artificial teeth on the valuable material leave his office every week. No material in the world possesses so many desirable qualities as the ENGLISH BLACK RUBBER PLATES have no other. Mr. Gross will make teeth on any plate preferred and will fit 25 to any person whose mouth he cannot otherwise fit. A stock of about 10,000 ARTIFICIAL TEETH to select from. It is believed that no dentist in the Midland district has a stock so large and well selected. Mr. Gross has lately procured one of Dr. HUNT'S ITALIAN AIR attachments to be used in connection with the Liquefied Gas. He extracts from 15 to 20 teeth permanently filled and set. As no term teeth permanently filled and set. As no term teeth permanently filled and set. As no term teeth permanently filled and set.

Mr. Gross will guarantee all his fillings for the length of time. In another dental advertisement in this paper Mr. Gross is accused of jealousy. The man whose business is steadily on the increase and who welcomes his office almost daily new faces in search of better dentistry need not entertain such petty, any very marked feelings of jealousy. For good advice and reliable work call on Mr. Gross, over Kennebec's store, Kent Street, Lindsay.

Mr. Gross has a number of perfect fitting sets of teeth for people in Lindsay, Ont., Marquette to give satisfaction. Black Rubber has been used by Mr. Gross for the last 17 years. The only genuine English Black Rubber left constantly on hand. Teeth inserted on any plate desired. In extracting teeth with gas it is common that the patient is in pain. Mr. Gross uses 10 to 15 teeth with one dose of gas and the person leaving quite well and strong. Mr. Gross has made a special study of this gas under Dr. Colton, of New York, the inventor, who writes to Mr. Gross that he has given the gas to 10,000 persons without accident. Teeth filled to last a life time. One lady says she had her teeth filled with gas and they have lasted 18 years ago, and her teeth are as good yet. The People's Dental Institute, a book sent by mail, free of charge. Send for it. Dr. J. C. Taylor, Toronto, Ont. or Dr. J. C. Taylor, Toronto, Ont. or Dr. J. C. Taylor, Toronto, Ont.
