## The Victoria Warder

FRIDAY, JUNE 20, 1884.

### MARIPOSA STATION.

Correspondence of the Warder.

WEAVING.—The weevil is doing damage to the clover and in many instances causing much trouble and rate.

SPADE TRADE.—Messrs. W. H. Webster &amp; Son have planted some very choice spruce trees for a wind break on their orchard. The trees are doing well.

### SALEM OPS.

Correspondence of the Warder.

DIPHTHERIA.—The little girl Kate Calvert, daughter of Mrs. Calvert, died recently of diphtheria. The family have the heartfelt sympathy of the neighbours.

STOCK IMPROVEMENT.—There are large numbers of colts in this section this season, &amp;c. of good breed. East Ops is coming to the front in fine stock, and will soon take the lead.

### LITTLE BRITAIN.

Correspondence of the Warder.

RETURNER.—Mr. Edwin Mark got back last week from his trip to the old country. He spent but a short time there, being only away a little over five weeks. From what he saw, however, and from the description he gives it is evident that he has eyes open and prefers Canada as a home.

CHAPTER OF ACCIDENTS.—The last few days have been full of accidents in this neighbourhood, some of them it was feared might have been fatal. On Friday Mr. Aaron Gilson, who was at a gathering of boys, being engaged for his brother, fell into the hole, a distance of about twenty to twenty-five feet. He was taken unconscious and for some time it was feared he was fatally injured, but I understand he is now improving and out of the sickening state in which he was left. On Saturday Mrs. Allin, wife of Mr. Farman Allin, who two of her younger children were visiting from Port Perry, where she had been on business, when driving past the second concession, the shaft by some means became detached from the conveyance, starting the horse, which ran away dragging Mrs. Allin and children out. Mrs. Allin was severely hurt, and at the time of writing (yesterday evening) it is not known how it may terminate, although I understand she is somewhat better than she had been. Dr. Vrooman was in attendance in both cases, being unwilling in his opinion, and doing all that medical skill could suggest in aid of the unfortunate. Again on Tuesday evening Charles Allin fell off a wagon in the gravel pit, breaking his arm at the elbow. Dr. Vrooman was called on at once and set the broken arm.

OPPS AND ETC.—A washing of two expected soon. The dilapidated sidewalks are being repaired. More news possibly next week.

### MOUNT PLEASANT.

Correspondence of the Warder.

HYMENEAL.—Mr. Joseph Lewis, of Emily, was united in the holy bonds of matrimony, on Wednesday, 11th inst., to Miss Telford, of Bonlimore. After the ceremony a grand ball and supper was given at the residence of the bride's father. Everything passed off pleasantly, and every one seemed to enjoy themselves.

SKERNAK.—On the return of Mr. Joseph Lewis with his betrothed half Tuesday evening our band turned out in full force to do honor to the event and pay their respects to the happy couple. They were well received, treated kindly, introduced to the bride, received a piece of the cake, passed a pleasant evening with the newly married couple, dispersed social music to their ears, tendered their kind wishes to the bride (who they say is charming), and returned home well satisfied. But before doing so the young groom presented them with a liberal sum, which they intend to use in helping to purchase a new instrument.

GARDEN PARTY.—The Methodists of this place gave a grand party on Friday evening at the residence of Mr. John Best. The grounds were beautifully decorated, the arrangements were many and varied, but thanks to the ladies, the refreshments were better than all. The proceeds amounted to about \$4 of \$10 which were devoted to the organ fund.

A SUCCESS.—The picnic which was held in the garden of Mr. John Best, the grounds were beautifully decorated, the arrangements were many and varied, but thanks to the ladies, the refreshments were better than all. The proceeds amounted to about \$4 of \$10 which were devoted to the organ fund.

Snow.—A one armed man treated our guests to some interesting copper plate drawings of the old fashioned Monday style and we feel it our duty to thank the ladies of that vicinity, the young gentlemen, and also their public school teacher, Mr. D. Kellock, for the pleasure of the afternoon.

### MINDEN.

Correspondence of the Warder.

Mrs. Jessie Gouldie, an old resident of Minden, dropped dead this morning (yesterday). She was apparently well, having prepared the breakfast.

THE FUNERAL OF MR. ALICE PEPPER, WHO WAS DROWNED ON THURSDAY LAST, TOOK PLACE ON MONDAY AND WAS VERY SOLEMNLY ATTENDED.

WEATHER very dry. Crops suffering for want of rain.

### LINDEN VALLEY.

Correspondence of the Warder.

S. B. ANNIVERSARY.—On Sunday, June 20th inst., the anniversary services of Eden church, Lindsay, will be held, by Rev. Mr. Dobson preaching in the morning at 10.30. On the following Wednesday the Sabbath school anniversary will take place in Mr. Weston's beautiful grove when several speakers are to address the meeting, among them Revs. Brown, Doxsee, Lambert, Woodger, Shaw, and others. There will also be recitations, singing, and instrumental music by the children. Speaking to commence at one o'clock. A novel steam swing will be on the grounds, and the usual sports and games for the children. Tea at the church at 4 o'clock.

### GLENMARK.

Correspondence of the Warder.

PIANO.—Some of the youngsters of this neighbourhood were invited to a picnic at Birch Point, Belowe lake, which proved to be a success as far as innocent amusement was concerned. At the winding up of the fun, one of our young friends, Mr. William Carter, a prominent school teacher, and Dr. Tolmie, the new trustee, went for their farewell walk, but coming in contact with a "water hole," it was the means of us getting their boat in the water. Dr. Tolmie, made for the stern of the boat thereby he escaped the struggle. Mr. Carter dove a dozen yards in one of the cars and by hard struggling succeeded in getting the shore with the help of the car. Mr. Carter was specimens of some time after the boat struck, but however the ladies brought him to life and speech again by giving him both milk and pepper, which heated him up well and got him into its natural circulation. The crowd were all highly pleased with the amusement of the evening with the exception of the two that got into the lake. One of them was very disengaged as he got no pepper.

THE SACRAMENT OF THE LORD'S SUPPER WAS DISPENSED IN THE PRESBYTERIAN CHURCH, GLENMARK, SUNDAY, THE 16TH INST.

SPADE TRADE.—Messrs. W. H. Webster &amp; Son have planted some very choice spruce trees for a wind break on their orchard. The trees are doing well.

### SONYA.

Correspondence of the Warder.

ACCIDENT.—At the raising of Mr. Thomas Gilson's barn on Friday, 13th inst., Mr. Aaron Gilson met with an accident of a serious nature. He was assisting in the raising of the main plate when by some means it fell, throwing Mr. Gilson to the ground, a distance of about twenty feet. He fell upon his head and shoulders and received injury in the spine and shoulders. There were no bones broken, Dr. Vrooman, of Little Britain, was called and under his treatment we hope for a speedy recovery.

RECOVERED.—Mr. Neil McDonald, who has been illing for some time, has been under treatment of Dr. Aikins, of Toronto. He has returned home and is improving in health. We hope his recovery may continue.

ANNIVERSARY.—On Sunday and Monday, 15th and 16th inst., the Salem Sunday school held their annual anniversary. On Sunday Mrs. Watson, a lady from Toronto, preached the annual sermon, after which the children gave some recitations. On Monday there were speeches delivered by a number of rev. gentlemen and discourses and recitations by the scholars. Tea was served up by a full staff of waiters and the tables gauded under their load of delicacies provided for the occasion. This was the first anniversary after the union of the churches and was a success.

HOECAVEON.—Logs—Another block of logs containing about 18,000 board feet passed through on Wednesday and Thursday. The "drive" is under Frank Bell. The logs make a fine average and are a good quality. They were taken out of the township of Anson by Mr. Offord, and will be converted into lumber at the Harwood Mills. Rice lake. Some of the logs are exceptionally large, one of them measures a trifle over four feet in diameter.

DOMINION DAY.—Our national holiday will be celebrated in right royal style. A meeting was held on Tuesday evening in the town hall, with Capt. Bottom in the chair, and a committee appointed to make the necessary arrangements. A subscription list has been signed that will warrant the committee in preparing a first class programme of sports. It is proposed to have a regatta, athletic performances on land, and a grand cavalcade. The details of the procession are under consideration, and whilst much of the representations will, no doubt, be of a burlesque nature, the carnival will not be one of rags and vulgarity, like the hideous productions of a neighbouring town. Several special prizes have been kindly offered, and it is anticipated that the prize list will foot up over \$10,000. The amusements of the day are to be concluded with an entertainment in the town hall, under the management of the skating rink committee.—[Independent]

### PEELON FALLS.

GREETING FRIEND.—Preparations for building are being made on Mr. Jordan's lot at the corner of Colborne and Francis streets, and on Dr. Wilson's at the corner of Colborne and Bond, men with teams and horses being busy at work excavating the foundation. Mr. Jordan is engaged to put up a storey block about four by four feet, to contain ten double storied and a single one, and it is to be built by day's work instead of by contract. Dr. Wilson's building is to be a handsome two-story brick residence, with surgery attached, 16' x 20', about \$4,000, and the contractor has been Mr. John Kennedy of Bobcaygeon.

PEELON FALLS.—Mr. S. T. Colp, of Lindsay, who has just returned from Peelon Falls, was present at the ladies' tea, the refreshments were better than all. The proceeds amounted to about \$4 of \$10 which were devoted to the organ fund.

A SUCCESS.—The picnic which was held in the garden of Mr. John Best, the grounds were beautifully decorated, the arrangements were many and varied, but thanks to the ladies, the refreshments were better than all. The proceeds amounted to about \$4 of \$10 which were devoted to the organ fund.
