FARM PROPERTY.—Mr Richard Hooper, of Lifford has sold his farm of 100 acres.

MR. John Johnston, of Lifford, intends to purchase a steam engine for his threshing machine. Mr. J. in times past has given general satisfaction to the wants of the farmers, and in future no doubt he will be liberally patronized.

The tea held on Tuesday last in con-nection with the Methodist church of Lif-

country imports nearly all the wheat it selling at \$10 delivered, and oats 30c per bushel.

OUR fair was held last week and we had a fine show. The roots this year are splendid. Turnips are a grand crop, and so are the potatoes, and can be had for 25c. a bushel.

THE DAM .- Mr. R. Rogers, superintendent of the Trent works, was in this village last week, and made a close examination of all the works on the dam, slide and canal. It is to be hoped that during the approaching sessions of the dominion parliament an appropriation may be made for the repair of the dam. Such repairs are badly needed, for the leakage is so bad that it is difficult to maintain navigation on the upper lake.

STRANGE. - One of those strange cir cumstances so difficult to account for occurred on Wednesday. A gentleman was walking along the Little Bob plains when he noticed something fall in front of him Seeing that it glistened and moved, he stepped towards it and found it to be a SPEEDING—3 year old horses only, 6 fish nearly two inches in length and entries, 1st D McKay, 2nd D McRae, 3rd alive.
