BEAVERTON.

Ma. F. J. Gribbin, general met chant of Orillia, is, we understand, going to open out in one of the fine stores in the Cameron block.

Rev. W. L. Scott and wite celebrat REV. W. L. Scott and wife celebrated on Monday Oct. 6th the twenty-fifth anniversary of their woulding day. Invitations were issued only to members of the tamily and those who were present on the happy day a quarter of a century ago. Of these some who were unable to be present were represented by handsome souvenirs in the form of valuable pirces. These mannerial tributes were largely and memorial tributes were largely augleated by the gifts of those present. The presents consisted of a number of articles both useful and beautiful, among others a silver tea service of five pieces, the gift of their children.

ORILLIA. TORN TO PIECES. - Friday afternoon a distressing accident occurred at Mr. Geo, Riz's farm, near Bass Lake, sbout three miles distant from Orillia. Mr. Riz was threshing, and when about Sniehed his two little boys went up into the mow to play among the straw. One of them, about 10 years of age, tumbled over the beam and into the mouth of the machine. He was immediately swept in and torn to pieces. The body was horribly mangled and minced up in an un-

recognizable mass. Mysterious, -Albert Davey, a carter, was arrested Saturday on sus-picion of foul play. His wife deserted him some time ago and went with her shildren to Campbelford. Soon after this four men entered her house and outraged ber. They were arrested, but the woman accepted \$100 not to appear, and left the town. Her husband, two hours after her departure, same and took the children to Orillia. where he gave vent to various hints from wifely restraint. His daughter repeated his remarks to her uncle, upon whose instigation a warrant was issued.

OSHAWA. THE candidates for municipal honors will have to conduct themselves in a becoming manner next January or they will be defeated sure. At the last voters' list court 108 women were added to the list and will be allowed to vote at the municipal elections here-

THE annual harvest home of the Medcalt street Methodist church on Tuesday evening was a grand success. The church fully sustained its old reputation for getting up a firstclass supper. As there was united with the harvest home the celebration of the Methodist union unusual enthusiasm was developed. Between 600 and 700 people were present, the house being literally crowded. No doubt this was in a great measure due to the excellent staff of speakers who had been secured for the occasion. Able and eloquent addresses were delivered by Rev. Dr. Sutherland, pr sident of conference; Rev. E. Roberts, president of Bowmanville district; Rev. J. Redditt, a lete pactor in Oshawa. Proceeds at the door \$134; net proceeds

\$111.12. On Friday night shortly after 12 o'clock an alarm of fire was sounded. The fire proved to be a small unossupied house just south west of Mr. Skye's shop, owned by Mrs. Kirby. The building was in flames by the time the brigade was on the spot, and a length of hose bursting further de-lay was caused. The fire was eventnatio drowned out. The engine work ed a little stiffy.

DENTIST. OVER 24 YEARS' EXPERIENCE.

Mr Gross has recently introduced the latest Mr Gross has recently introduced the latest and most perfect system of Vulcanizing, whereby any variety of rubbet can be hardened without a risk of impairing its strength or injuring its texture. This new process was invented more particularly for the working of BLACK RUBBER, which, being perfectly pure, to secure the best results, requires a more uniform and higher degree of heat than is attainable by use of the ordinary Vulcanizing machine. The inventor says, that with Ash & Son's GENUINE ENGLISH BLACK RUBBER, hardened by the new Yulcanizing process, he can produce one of the LISH BLACK RUBBER, hardened by the new Vulcanizing process, he can produce one of the best, if not the very best, dental plate in the world. Mr. Gross, with this improvement, is enabled to make his BLACK RUBBER plates, heretofore good, still better than ever. All wearers of BLACK RUBBER plates are delighted with them. Artificial Teeth inserted on any kind of plate desired, including Red Rubber and what is called Gold Alloy. A set of teeth on the latter material for \$8. A stock of about 10,000 ARTIFICIAL TEETH of all shapes, shades and signs to select from. An upper or under set of teeth from \$8 to \$65. No charve for extracting teeth when new ones are to be made. VITALLIZED All administered, and ELECTRICITY still used with success. The natural teeth preserved by filling with gold and other good materials. Mr. Gross, having superior facilities for getting valuable improvements as soon as they are invented, always avails himself of this advantage, thus keeping in advance of all competitors Rooms over Kennedy's store, Kent St., Lindsay.
