The most successful dentist in this part of Canada. The GOLD ALLOY used by Mr. Neelands for artificial teeth is a grand success, not-withstanding the false statement made about it by a Lindsay dentist fealous of Mr. Neelands' dividual exhibits to his patrons a piece of gras metal resembling soft solder or lead, and tells them it is a poison and the same as Neelands' Gold Alloy, which is a falsehood, as the Gold Alloy used by him contains both gold and silver

and no poison.

Mr Neelands inserts numbers of-perfect fitting sets of teeth for people in Lindsay, Ops, Mari-posa after this dentist had tried and entirely failed to give satisfaction. Black Rubber has been used by Mr. Neelands for the last 17 years The only genuine English Black Rubber kept constantly on hand, Teeth inserted on any plate desired. In extracting teeth with gas it is a common thing for Mr. Neelands to extract from 10 to 15 teeth with one dose of gas and the person leaving quite well and strong. Mr. Neelands made a special study of this gas under Dr. Colton, of New York, the inventor, who writes to Mr. Neelands that he has given the gas to 136,613 persons without an accident. Teeth filled to last a life time. One lady says she had her teeth filled with gold by Mr. Neelands over 15 years ago, and her teeth are all good yet.
