### WARREN LELAND,

Manager of the Largest Hotel Enterprises of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to this country, he learned that one of his officers of the ship had cured himself, during the voyage, of an obstinate disease by the use of

### Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.

Some years ago one of Mr. LELAND'S farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and stinging pains through the lump, made his life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND'S direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

### Ayer's Sarsaparilla

For Rheumatism, with entire success; and, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND'S permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, New York, or at the popular Elver's Disasters, 21st and 22nd Streets, New York.

Mr. LELAND'S extensive knowledge of the blood done by this unequalled eradicator of blood poisons enables him to give inquiries with valuable information.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists, &c. six bottles for \$5.
