No Luck. We hear it reports that one of the gentlemen who paid up his Warder's account on Thursday last, ordered the paper stopped, and obtained a receipt; it is stated over having in his possession such a rare article as a receipt that he shows it around town. It seems it is the first one he has been known to have.

Great Relief. Great news coming in slowly. The last roads account for it. There is every prospect of relief coming for the whole of the West, and every day brings news of it.

Young People's Association. The regular weekly meeting of this association in connection with the Methodist church was held last Friday evening and proved most interesting and instructive.

Distance Lands Mechanisms. One person either tells it around town, or allows it to be told for him that he entered the Warder office—"bearded the lion in his den, the Douglas in his hall" and told us "to ride the Protestant horse to death." No such language was used.

Drawing Class. Drawing classes are again to meet in the Art room of the Mechanics Institute, two evenings each week, viz., Monday and Thursday.
