The Victoria Warder, FRIDAY, JANUARY 15, 1886.

OUR EXPERIENCE. Six months have now elapsed since we purchased The Victoria Warder...

However we are more than pleased to state that despite boycotting and other sneaking means...

Had we chosen to send out a canvasser during November and December we feel sure our circulation could readily have been run up to five thousand names...

The localities where The Victoria Warder has made the most surprising gains are Hanover, Mariposa, Kully, Verulam, Fenelon, Carleton Place, Elton, and of course, Lindsay.

We have no hesitation in stating that, as an advertising medium the columns of The Victoria Warder are increased in value fifty per cent. since July.

We respectfully express our satisfaction with the kindly reception the people of Victoria, North Durham, and North Ontario have extended us...

We hope that next January will see our subscription list the largest of any town paper in Canada.
