Mr. Teskey's Loss.

The public sympathizes with Mr. Teskey, proprietor of the defunct Temperance | cents. ouse, on account of his loss through the recent fire. Destitute.

There is a destitute family named Smith living in Ops on the border of the East Ward. The husband and father is laid up wth a cut foot; the wife and mother is sick; the children are starving. Capt. Crandell, hearing of the situation, visited the family last Monday, and found it a genuine case of destitution. On Tuesday he collected \$14.58 which he handed over to the charity Committee, for the family. The old Capt. after all has his heart in the right place However, the family belongs to Ops, and should be supported by that township.

Advertising Pays. A well-known New York advertising agent, Mr. J. H. Bates thus expressed himself:—"As I look back, I do not recall the name of oneman who judiciously, call the name of one man who judiciously, perserveringly, and freely pushed good articles, of whatever kind, in the newspapers that did not make at least a fair success, while a great many have gained ample fortunes. I could easily mention names in support of this statement, but the list is long. Indeed, it has been my observation that it is easier for large advertisers to make money than to keep it."

The attention of Lindsay cabmen is called to the fact, that citizens often complain of delays and disappointments in cabs and cabmen. It seems several painful disappointments occurred, on the even-ing of the Charity concert. FATAL ACCIDENT. -On Wednesday, as an engine was shunting at the round-houses here, a young lad aged 15 years, named Alexander J. Mann, son of a widdow, standing by the track, was seized with temporary paralysis, and fell be-tween the driving wheels of the engine. The wheels passed over his waist cutting him completely in two, two small pieces of skin merely holding his body together. Yet the young man lived and was able to

BAYSVILLE, Our readers will please note the interesting letter in the WAR-DER, from Bayaville, Few are aware, that in many European countries, the lands considered almost worthless in Ontario, would be looked on as valuable. There is no doubt, that within a few years, there will be very many fine settlesents and towns in the back country. Therefore, we again put forward the idea, of a railway from Huntaville or Baysville, to the Victoria Ry. Indeed, a line from Huntsville through Baysville to Haliburton, or through Minden to the Victoria railway, would almost certainly ultimately prove a trunk line.

The County Council is now in session, and everything about their workshop seems to be working along smoothly, except perhaps a little wrangling over the election of Warden, which we trust will not seriously interfere with business, as we expect every member of the County Council to march into the CITY TAILORING HOUSE OF LINDSAY, and

# Order a New Spring Suit.

GENTLEMEN OF THE COUNTY COUNCIL,-

Don't you think this suggestion practical and appropriate? Our advice (we make no charge for advice) is to act suddenly, and allow us to submit plans and specifications according to your peculiar style of architecture for a BONNY NEW SPRING SUIT. We can do it, and do it right, and at a price reasonable enough to SUIT the great majority. And then perhaps you will need

a new Hat, or a Tie, or a Collar, or a Shirt, or a Pair of Socks, or a Handkerchief, or an Overcoat, or an Umbrella, or a Waterproof Coat, or a Nightshirt-if you have forgotten your own.

All these and many other knickknacks too numerous to particularize are to be had at the CIT's STORE FOR LESS MONEY THAN ELSEWHERE. Does the latter clause catch you? If it don't we will say you are not advocates of economy, and will proceed to make it hot for you at your next election. We are not very big, but oh! Let those who despise economy beware, or down comes our mighty fist.
