A JUMBLE

Which goes to show there are spots on the Moon.

The County Council is now in session, and everything about their workshop seems to be working along smoothly, except perhaps a little wrangling over the election of Warden, which we trust will not seriously interfere with business, as we expect every member of the County Council to march into the CITY TAILORING HOUSE OF LINDSAY, and

Order a New Spring Suit.

GENTLEMEN OF THE COUNTY COUNCIL,—

Don't you think this suggestion practical and appropriate? Our advice (we make no charge for advice) is to act suddenly, and allow us to submit plans and specifications according to your peculiar style of architecture for a BONNY NEW SPRING SUIT. We can do it, and do it right, and at a price reasonable enough to SUIT the great majority. And then perhaps you will need

a new Hat, or a Tie, or a Collar, or a Shirt, or a Pair of Socks, or a Handkerchief, or an Overcoat, or an Umbrella, or a Waterproof Coat, or a Nightshirt—if you have forgotten your own.

All these and many other knickknacks too numerous to particularize are to be had at the CITY STORE FOR LESS MONEY THAN ELSEWHERE. Does the latter clause catch you? If it don't we will say you are not advocates of economy, and will proceed to make it hot for you at your next election. We are not very big, but oh! Let those who despise economy beware, or down comes our mighty fist.
