The Bells of Shandon.
Air—"The Groves of Burney."

With deep affection and recollection
I often think of those Shandon bells,
Whose sounds so wild would in days of
childhood
Fling round my cradle their magic
spell;

Oh, the bells of Shandon sound far
more grand
Than the bells of Shandon that sound so
grand
In the gurgles of the river Lea.

I've heard bells chiming full many a
time
Tolling sublime in cathedral shrine;
While at a glib brass tongue would
vibrate,
But their music spoke naught like
thine;

There's a bell in Moscow, while on tower
and knoll;
In St. Sophia the Turkmen gets,
And loud in air calls men to prayer,
From the tapping summit of tall minaret,
Such empty phantom I freely grant them,
But there's an anthem more dear to me,
'Tis the bells of Shandon that sound so
grand
In the pleasant waters of the river Lea.

BALLYDUFF, No. 1.
Special to The Warbler.

SEEDING.—A push in the right time is the thing; so thought our farmers who took advantage of last week's fine weather, and are now through sowing the two most important cereals—wheat and barley.

LITTLE BRITAIN.
Special to The Warbler.
THINGS IN GENERAL.—News items are scarce here. Possibly in a week or two there may be some improvement, as a wedding or two are expected to come off soon, which will relieve the monotony, and give some food for talk. Nuff sed.

RETRIEVING.—On Sabbath a week ago last Elder Willoughby of the Christian church, at the close of the service, invited the congregation to see his intention of removing his connection with the church here, and to remove to another field of labor. The announcement took the congregation by surprise, as it was unlooked for and unexpected. Mr. Willoughby since he came here has by his exertions not only trodden the number of church members, and for hearses the church is literally crowded at each service. The reasons Mr. Willoughby has for leaving this place, and the nature of things subjects for newspaper correspondents; suffice it to say that nine-tenths of the members regret his determination, and would be glad he would reconsider it.

NEW MACHINES.—Mr. Joseph Mauder has put in a new self-setting shingle machine, from the celebrated maker B. Brammer, of Orillia. It is no trick to cut three thousand shingles per hour with this machine, and that from a poor quality of bolts. I tell you she is a daisy.

OMENEE.
Special to The Warbler.
THE Emily spring show was held on the 27th and was fairly successful, the following horses and bulls receiving prizes.
Imported Draught,—1st, Young Enterprise, Graham & Fair; 2nd, Scotch Champion, James Wilson.
Canadian Draught,—1st, Young Bazon Lennox, James Stewart; 2nd, Griffin, Jas. Magee.
General Purpose,—1st, Young Netherby, Richard Chapman; 2nd, Ivanhoe, David Mitchell.

OAKWOOD.
Special to The Warbler.
THE sacrament of the Lord's supper and love feast will be held in the Methodist church here next Sabbath morning at 10 o'clock when Rev. J. C. Wilson, of Omenee, will preach. He will also preach at the same place on the next Sunday May 9th.

THE singing school in the town hall under the training of Mr. Weeks came to a close on Monday night, 26th, by a concert which was well appreciated by the people. The school was conducted by Mr. Weeks, and was under the management of a local talent and met every Monday evening in the Methodist church. We wish them every success and think the foundation of it has been laid.

FAT CATTLE.—Mr. S. E. Eshin shipped for Mariposa station on Saturday, April 17th, for the Montreal market the finest lot of fat cattle that has been shipped for some time. The average weight of the cattle was about 1,400 lbs., the price of cows per head was \$10, and steers per head \$12.75 lbs. Now farmers no more talk of hard times, their money is farming yet.

PERSONAL.—Mr. John Anderson, of New Lovell, was home on a short visit during the holidays—F. Stedman, of Ottawa high school, spent a few days here on a visit at present. Dr. Pomeroy, her uncle, was here also this week. He was the guest of his brother, the Rev. J. C. Pomeroy.

CONCERT COMPANY.—The Kaleidoscope concert company gave another fine concert on Monday evening last, and the company were very favorably impressed with the teaching done by the company. No doubt the company has done good work here and elsewhere, but what people say that they learned more of the subject in one night from the Kaleidoscope than they ever learned from any other source.

BELLEVOUE.
Special to The Warbler.
PERSONAL.—Mr. J. Denny, of Lindsay High School, is spending the winter holidays in his mother's home, Mr. Wm. Hunter. See BUTTER.—In this year added to the general business of the Star Class Factory. This is very convenient for the people around here, as they can get their current prices in cash for all the eggs they have to sell without the trouble of taking to market.

BROWN'S.
Special to The Warbler.
SEEDING.—A push in the right time is the thing; so thought our farmers who took advantage of last week's fine weather, and are now through sowing the two most important cereals—wheat and barley.

RELIGIOUS.—The Rev. W. West has announced that he will preach a series of sermons on the great men of the bible, beginning with Daniel.

JANETVILLE.
Special to The Warbler.
SEEDING.—The farmers of this locality are nearly through sowing wheat. Many have commenced on the 15th of April. There is a good prospect of a large hay harvest, the clover being all made.

BEXLEY.
Special to The Warbler.
Mr. Robert Reid, of this place, has leased his farm for a term of years to the postmaster of Bexley, who is an industrious farmer.

COBACONK.
Special to The Warbler.
HYMENEAL.—Mr. Drake was united in matrimony to Miss Burrige on Wednesday, 24th inst., at the residence of Mr. Drake's mother, Water street. Rev. Mr. McKee officiated. Alex. was groomsmen and "filled the bill" satisfactorily. A charitable concluded the evening's programme, in which youth and age competed for first place.

SPRING.
Oh, how I love those balmy days,
With April's pleasant chime,
Rheumatic pains all through your bones,
Then fever's answering thrill.

NORTHEEN JOYNTING.
Special to The Warbler.
HYMENEAL.—On Wednesday 21st inst. Mr. Thomas Ferguson, of Fenelon township, was married to Miss Annie McKay, the accomplished daughter of our worthy friend Mr. Andrew McKay, of Eikon township. The happy event took place at the residence of the bride's father under the most pleasing auspices. The ceremony was performed by the Rev. D. McDonald, of Glenora. The bridesmaid was Miss Maggie Ferguson, sister of the groom.

WILD GESE.—There was a large flock of wild geese here on Monday. Four of them seemed to be lost, as they flew around and about the north, and seemed desirous of settling in the creek. Plenty of spring birds are lately flying about the place.

MUSK-RAT.—A MUSK-RAT made its appearance on Scoug street one morning last week, and after an exciting chase was captured by Messrs. Crawford, Gaspell and Hughes.

WILD GESE.—There was a large flock of wild geese here on Monday. Four of them seemed to be lost, as they flew around and about the north, and seemed desirous of settling in the creek. Plenty of spring birds are lately flying about the place.

T. J. GRASE.—T. J. GRASE, Esq., of Raglan, paid a visit to his lady-love, or taking his departure for British Columbia.

MASSAS.—Mathew Sutton and Mr. Suggs left for Manitoba Monday morning.
