around here. The gardens begin to look green.

Personal.—Mr. Chas. Thompson is putting up a new house. Who is going to share it? Mr. Jas. Gray has had a severe attack lately, but is some better now. Miss Jarrett, our teacher, has just returned from spending her Easter holidays at her sister's.

WILSONSON gave rather a large number of weddings last week. We hope soon to hear of another. A few of the bachelors should take pattern by those of last week.

HEAD LAKE.

The weather for the past two or three weeks has been all that the farmer could desire, as a consequence they are almost through seeding. Fall wheat never looked better at this time of year and farmers are jubilant over the prospects of a large yield.

SNAKE THIEVES.—We have been visited by some of these gentry, and people are learning to lock their barns. Mr. Wm. Adair, lost some bags of seed wheat, also Mr. A. McDonald. It is to be hoped they will be caught, and get a free ride to town. Our constable here would be happy to run them down.

Mr. Jas. McGill has put a picket fence in front of his premises, much improving its appearance.

BALDYDUFF band is improving. For one so young and with such little teaching it does remarkably well.

The Scott Act is wanted in Pontypool.

FARMERS are nearly all done seeding. Some have potatoes planted. Fall grain and meadows look well. Fruit trees are in bloom nearly a month earlier than last year.

Mr. Wm. Nelson of Fairview farm, has been sowing for some time with a pair in the breast.

MOUNT HOREB.

Special to The Warder.—Mr. Jos. Beamish sold his stallion "Glancer," which will be three years old the 20th of May. We understand he got \$665 for him. Messrs. J. Busch and C. W. Armstrong are the purchasers. We hope they will do well. J. Beamish bought Mr. Henderson's stallion for \$500.

Mr. Horen was blessed last week with "pedlars, painters and doctors," with a few agents thrown in.

The Mt. Horeb pruner has been in the vicinity of Lindsay doing some first-class work.

That was not Prof. Brush that passed through Mt. Horeb behind "McCart's mare," it was Wm. H. Skene; he is a horse tamer.

Those boys north of us who went taffy making got run by a wildcat as they thought. After making ready for a battle with warlike weapons, the supposed "wildcat" was at home sitting by the stove laughing at the joke.

"Jack on the Track," the celebrated Netherby horse, the property of Mike Chapman, comes to the front taking first prize in his class at the Omemee show. This speaks well for both Mike and Jack.

James Wilson, of Lifford, took second prize at the Omemee show with his stallion "Scottish Champion," an imported draught. This horse will take the run from any horse of his class that passes through this part.

IMPROVEMENT.—Thos. Lees is having his house painted, which makes a great improvement to the building.

The streets are now cleaned, and present a good appearance. So much for Mt. Horeb.

The farmers in this locality are about through seeding. Meadows are looking well.

Wm. Smith, of Michigan, paid us a flying visit one day last week. He did not stop long as he had business to attend to in Lindsay.

BURNT RIVER.

Special to The Warder.—FRESHMANTON.—Monday, May 10, being our teacher's birthday, the scholars assisted by some friends took advantage of the occasion to present her, Miss McGrover, with a silver only basket, accompanied by the following address:—

DEAR TEACHER.—We, your pupils and other friends, in offering our congratulations on this your birthday, beg that you will accept this cake basket as a slight token of our friendship and esteem, and of—on the part of your pupils—our appreciation of your efforts to promote our welfare. You have been always kind and painstaking in conducting us in our studies, and unflinchingly in your endeavors to promote our progress. You have been at once a teacher, companion and friend, and we will ever remember the time spent with you with pleasure. We have heard with regret that you have decided soon to leave us, and we hope you will reconsider and reverse your decision in that matter; but whether you remain with us or leave us you will always have our best wishes for your welfare. Signed on behalf of the pupils.

MISS MCGROVER was taken by surprise, so that her reply was entirely extemporaneous and was as follows:—

MY DEAR PUPILS.—You have taken me so completely by surprise that I can scarcely find words to thank you for your beautiful present, and indeed language would fail me to express the thanks I feel. Your kindness will not soon be forgotten, and in the time to come whenever I may be I shall

MY DEAR PUPILS.—You have taken me so completely by surprise that I can scarcely find words to thank you for your beautiful present, and indeed language would fail me to express the thanks I feel. Your kindness will not soon be forgotten, and in the time to come whenever I may be I shall

always remember this day with pleasure; and be assured that my best wishes shall follow you all your lives. Nothing will give me greater pleasure than to know of your advancement.

FIRE.—The smoke of burning brush may be seen in all directions, showing that many are taking advantage of the fine weather to get their fallows burnt.

STOCK.—Mr. Jos. Briffin is very ill. Mr. Wm. Petch don't appear to get any better. Mrs. Bradburn is very sick. Master Peter Suddaby is on the sick list also.

ARRIVED.—The red headed woodpecker has come, and it is time to plant corn when he comes. Suckers are up the creek.

A Severe Trial.

Those who endure the torturing pangs of neuralgia, rheumatism, sciatica, lumbago, and similar painful complaints are severely tried, but there is a speedy relief in Hager's yellow oil as thousands who have used it joyfully testify. It banishes pain and lameness quickly.—20-2.

A Modern Miracle.

In a recent letter from R. W. Dowson, of Delaware, Ont., he states that he has recovered from the worst form of dyspepsia, after suffering for 15 years; and when a council of doctors pronounced him incurable he tried Burdock Blood Bitters, six bottles of which restored his health.—20-2.
