GRAHAM'S. Special to The Warder. WEATHER fair.....Seeding nearly all finished, potatoes accepted.....Fall wheat and clover crops progressing favorably, and consequently those farmers who have a goodly number of acres under these crops smiling broadly.

A children's prayer meeting under the leadership of Miss Emma Smale has been organized. A meeting is held in the church every Saturday afternoon at 2 o'clock, parents see that your children attend these meetings, for remember the impressions now made upon their youthful minds, will tend to build their characters and fit them for noble lives hereafter.

Mr. Luther Barelav, who has for some time been suffering from a painful abscess, we are glad to see, is again able to resume his duties. On Sunday, May 2nd, Mr. S. Barclay lost a very valuable mare that had been ailing for some time; the loss will be more keenly felt at this busy period.

NORTH VERULAN. Special to The Warder. Mr. Walker, merchant of Bury's Green, has received his spring stock of dry goods, groceries, hardware and patent medicines. Needs supplied at very lowest prices to customers. We recommend the Bury's Green scribe to take a stock of the last assortment so as to regulate his senses.

WHAT WE HEAR.—Bring my WARDER.....Ground damp.....Seeding progress ing favorably.....No family re-union. COBOCONK.

Special to The Warder. The first spring fair of the Somerville agricultural society was held on their grounds here on Wednesday afternoon and was a success financially and otherwise. The following is the prize list:— Stallions—General Purpose—1, "Dominion Champion" owned by Messrs Mitchell; 2, "Forget-me-not" owned by Messrs. C. Ley and R. Dixon. Draught—1, "Young Prince Arthur," owned by Wm. Chirpaw; 2, "Young Scottish Lad," owned by W. H. Copp. Blood—1, "Pier of the North," owned by Donald McEneaney. Durham Bulls—1, "Prince of Oak," owned by Henry Sutherland; 2, "Lord Nelson," owned by Hugh Reed. High Reel, Eq., also got first prize for oats, barley and timothy seed.

Nathan Day, Esq., showed a very fine Percheron (Champagne) but the judges thought it out of place in the draught class, and it was ruled out of a prize. Young Prince Arthur, the winner of the first prize (draught) is a very promising colt, and has an excellent pedigree. The Durham bull shown by H. Sutherland, Esq., has some very fine points, and to much praise cannot be given to men like him, who go to so much trouble and expense for the benefit of the whole community.

NEW ARRIVAL.—At the home of Mr. Charles McDonald, a fine boy. Both dogs died. Mr. Wm. Ham met with a very serious accident while cutting shingle blocks at Mr. Phillip's mill. The saw broke, and the part breaking off, after passing through a scumpling, struck him in the side, inflicting a very dangerous wound, but hopes are entertained of his recovery.

Miss Gussie Harlow is recovering from an attack of inflammation. Mrs. Sladen is also improving. Quite a number are getting an occasional shake up with the ague. Mr. Pattie, hotel-keeper, closed his bar on Friday night, in accordance with the Scotch act regulations, and those who know him best say that he will keep closed.

Not many in the village will wear crapes on account of the gloom of the Crooks act. The big egg trade has reached here at last. I was shown one last week that measured 8 inches by 6. CAPT. CRANFIELD paid this place a visit on Thursday, and met with a surprise. Mr. J. R. Graham, F. O., seems to be on the alert this spring looking out for parties breaking the law by taking fish during the close season, but as his district is so large, without some help from law abiding citizens, he can do but little.

FRANK CHARLEY got his shirt again, but he had to take one of the tramp's back. Hard on the tramp—very. ODDS AND ENDS. Latest Facts, Fun and Fancie. Jabesh Snow, Gunning Cove, N. S., writes: "I was completely prostrated by the ague, but hearing of Dr. Thomas' Electric Oil, I procured a bottle, and it done me so much good that I got another, and before it was used, I was well. My son was cured of a bad cold by the use of half a bottle. It goes like wild fire, and makes cures wherever it is used."

Mr. Wm. Boyd Hill, Cobourg, writes: "Having used Dr. Thomas' Electric Oil for some years, I have much pleasure in testifying to its efficacy in relieving pains in the back and shoulders. I have also used it in cases of cramp in children, and have found it to be all that you claim it to be."

Miss Mary Campbell, Elm, writes: "After taking four bottles of Northrop & Lyman's Vegetable Discovery and Dyspeptic Care, I feel as if I were a new person. I had been troubled with dyspepsia for a number of years, and had many remedies, but of no avail, until I used this celebrated Dyspeptic Care." For all impurities of the blood, sick headache, liver and kidney complaints, constipation, etc., it is the best medicine known. These pills tend to bodily comfort, dyspepsia and biliousness, yield when war is waged against them with Northrop & Lyman's Vegetable Discovery and Dyspeptic Care. Its use also insures the removal of kidney and uterine maladies, and promotes an unobstructed action of the bowels. The purity of its ingredients is as they come in its favor. As a blood purifier for the young, it is also a great favorite with the ladies.
