none of these sheets hold out any hopes to our people that their prospects will be any brighter, or their condition any better as regards their relationship with the American Republic. They make no suggestions as to trade; they promise nothing. nothing. Annexation is undoubtedly the question that is uppermost in their thoughts and we may de-pend upon it that to this end they will shape their course in their dealings with us, no matter what the most sanguine among us may ex-

Now, if we are to believe the disointed sentiments of the repealers Annexation is not a plank in their platform. No premier of Nova Scotia ever appealed to the people with a more indefinite policy than did Mr. Fielding. In fact it may be safely asserted that he had none. If he had wished to be frank and sincere in his dealings with the people on the question of repeal, why did he not accept the chellenge of ple on the question of repeal, why did he not accept the chellenge of the opposition during the session of 1884-5, and place the issue squarely 1884-5, and place the issue squarely and fairly before the electors at the polls, giving ample time and opportunity for its discussion. On the contrary he frittered away a greater with the utmost disregard to the important business of the country, put it all together, and we can see it in no other light than a direct insult to the public, and a thorough contempt for public opinion. and then during the last days of the session, after many of the members ed largely on the action of the Fedmity that would overtake them, if they did not do his bidding, he introduced his Repeal resolutions and then brought on the elections, to say the least of it, with indecent haste, particularly when such momentous questions were to be con-sidered, appealing to the prejudices of the masses, rather than to the loyalty and patriotism of a free peo. mentous questions were to be conwhich he inaugurated such a movement.-[Colchester Sun.

Institution for the Deaf and Dumb, Belleville.

In conclusion we would say to the Advocate, never attempt the detence of a res-

To THE EDITOR,-Kindly allow me to say to your readers that the Institution for the Deaf and Dumb at Belleville, is open to the deaf deaf mute child in Ontario, whether the parents are poor or rich, may share in the many advantages the Institution affords, such as tuition, board, care, etc.

There are many parents of such children who do not know of this place, and persons who will inform them of what the Province has so generously provided for their child-

isolated, as it were, from the rest of mankind; is responsible and in many food and as much pure water cases dangerous to the community; life is a blank without a ray of hope to illuminate the future. With an education such as may be had here, all this is changed and the mute is enabled to take his or her place as respectable members of society and law abiding citizens and learn of the glorious life beyond. Over 700 mute children have been entered upon our books and the large ma-All milk vessels should be jority of them spread over the Province bear testimony to the good then scalded with boiling work already accomplished. We have a full staff of capable, devoted teachers in the literary and indus-Cows should be milked with trial departments. We are doing all we can for those afflicted in this way and we are anxious to do whatway and we are anxious to do whatever work of this kind there is to
do. There will be room for all who
can come in September next, and in
the meantime it will give me pleasure to supply application papers
and recessory information to any should be kept only where the can come in September next, and in the meantime it will give me pleasure to supply application papers and necessary information to any arts to make an injurious taint, one who may apply. Your faithfully, R. MATHISON, Superinten

Nova Scotta want Repeal?

It still think she does not! If thought otherwise, we would inclined to say—notwithstand-le immense difficulties in the it her have it! The question of the purpose of directing public attention to some remarks made by the editor of the Woodville Advocate, in reference to my letter on the Mowat appointments and the school board. He says I have made an unwarrantable attack upon the inspector. If so it is a grievous fault, and grievously hath he made me answer for it. But let us see. I have no doubt but the inspector is all right in his family, an efficient Sunday school teacher, and an ornament to the church of which he is a member. I believe him to be as good as, if not far better, than some who make far greater pretentions of moral rectifude than he. It is only as a public man, in a public capacity, that I wish to deal with him. ductor of some dirty rag, if possible more

the rapid ones, those who lies of Canada, and those that recently been saying hard someorning us about the stand posters of Mr. Mowat have been grossly and barbarously insulted when he was given the inspectorship. He had never try.—30-3.

> vocate, never attempt the defence of a rastions, as the less said the better it is for him; silence is his best defence. It is only the cowardly fool that cries out and brings himself into notice when the lash is applied. In gratitude for the opporchildren of the Province, and every | tunity of turther remarks on this matter, we would like to pay him the compliment of calling him a jack ass, only it would disgrace a much despised and injured portion of the brute creation; but like that faithful animal, he never brays until he wants something to eat. Let us intimate to him that he is not a perfect Solomon, that he is green, very green, and only that we consider him a half pin-feathered spring chicken, we should consider it our duty to do him up brown. A little circumspection should make him aware of the fact that his nose and ears are Uneducated, a deaf mute child has no knowledge of language; is is lated and the other united get severely pinched and the other un-mercifully pulled. Our last advice is, for him to think well of what he is about, and consider what he is doing, or he may hear of something he little dreams of now, for we can assure him that there is a rod in pickle that may severely chastise some whitelivered, insignificant jackanapes that may have blundered into a sanctum, and perched on an editorial chair.

ODDS AND ENDS.

Latest Facts, Fun and Fancy.

Jacob Loockman, Buffalo, N. Y., says he has been using Dr. Thomas' Eclectric Oil for rheumatish; he had such a lame back he could not do anything, but one bottle has, to use its own expression, "cured him up." He thinks it is the best thing in the market. Peter Kieffer, Buffalo, says: "I was

Oil, as there are imitations on the market.

The revolt which is called in a dyspeptic stomach by a meal digestible by one which is in average health, can be permanently subdued and the tone of the organ restored by the systematic and persistent use of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which imparts tone to the digestive viscera, and removes all impurities from the blood.

One our two bottles of Northrop & Lyman's Vegetable Discovery will purify the blood, remove dyspepsia, and drive away that extreme tired feeling which causes so much distress to the industrious, and persons of sedentary habits. Mr. W. E. Ellia, Druggist, Fenelon Falls, writes: "The vegetable Discovery is selling well and giving good satisfaction."
