Local Market. Cattle, per head... 4 to 5. Sheep, per head... 4 to 5.

Lamb, per head... 4 to 5. Hog, per head... 4 to 5.

BRUNSWICK. Special to The Warder. A DISGRACEFUL SCENE.—As two young men were driving home on Sunday evening on the boundary between Mansfield and

Camden, opposite the residence of Long Corn, a party of three young rowdies, who used all kinds of profane and obscene language, wanting to raise a row.

Such rowdiness on a Sabbath evening should be stamped out.

NOTE.—The harvest is progressing very slowly, as the weather is very changeable, and fall wheat are a very good crop, but mostly all in the field yet.

LAST WEEK we noticed John Magill bringing home, not a wife, but a self-binder, which he intends to operate this season.

FENELON FALLS. Special to The Warder. DIPHTHERIA.—Through the medium of the Gazette of this village rumors are circulated throughout this district to the effect that diphtheria is epidemic in Fenelon Falls.

We have made enquiries and learn that there is not a single case of the disease in the village; and there were but a very few. It is now generally understood that wherever diphtheria appears there is some purely local cause; therefore the clergy should be to urge individuals subjected to such causes to clean up their premises, cellars and drains, unless persons are exposed to the cause.

In Fenelon Falls there is happily very little cause, most houses and premises being clean, and a rule strictly drilled. It is unfortunate that the extraordinary rumors should get abroad; and all such should at once be contradicted.

Mr. J. McArthur is erecting a new row of stores on Main-st. here. They stand next to the McArthur house on the site of the burned recently. He is also building the hotel on the south west side of the river.

Messrs. Nidderly, Phillips, Hoideg, Elliot and Cole, campers from Bowmanville, with Messrs. Jordan and Brandon of Fenelon Falls, spent a few days camping at Pleasant Point.

CLARKE'S CORNERS. Special to The Warder. ALMOST A SERIOUS ACCIDENT.—Recently while Mr. Louis Wilson was walking over a granary a board broke and he fell through, putting his shoulder out of joint.

Two doctors, Kemp and McAlpine, assisted by John Burnett put the arm in place. Mr. Wilson is recovering.

ANOTHER young gentleman, not a resident of this locality, got knee out of joint; but under the skilful treatment of young "Dr." Sharp the limb was set without trouble.

Would it not be advisable for Messrs. J. Bell and G. Sharp to visit elsewhere than on the 14th line, in view of possible consequences?

Miss Hay and Miss Murdoch, two most estimable young ladies have gone on a visit to Wroxeter.

SOME of the young ladies around here seem to be getting high minded, as one frequently sees them on loads of hay and grain.

A Lindsay agent and friend driving through this locality thought they had a drink of the Scott Act beer kept always on hand at the factory, but they were unable to be around for a day or two.

R. Jackson took a new Sylvester horse rake home the other day.

THINGS look prosperous. Harvest has begun. Crops look well.

WAKWOOD. Special to The Warder. SCOTT ACT VIOLATIONS.—In this township there are six hotels. Four hotels keepers out of the six have already been fined. A few weeks ago J. Jenkins of this village was fined \$50 for violation of the Scott Act. On Saturday, July 31st, Mr. Harper, Manilla, was fined \$50 and costs, and on Monday, August 2nd, Mr. McLean, Manilla Station, and Wm. Brunker, Woodville, were each fined \$50 and costs.

Mr. Kinison, Woodville, has been brought up but we have not heard how the case was decided. Now the only hotel-keeper in this township not yet brought up is Mr. Smith of Little Britain.

His name here was not high to instigate that he ought to be brought up. On the other hand we think he is to be congratulated for the same strictness with which he has observed the law.

The Scott Act authorities are also to be congratulated for their success in this respect in securing convictions. If the Scott Act is as strictly enforced in every township of this county as in Mariposa the Act may be a success yet.

ASSAULT.—A Scott Act case of a different nature from the above was tried in the town hall on Monday, Aug. 2nd, before Messrs. Cummings and Silverwood, magistrates. James Scott, a young man from Valentin, supposed to suffer from a weak intellect and a violent temper, was fined \$5 and costs for assaulting his mother.

DIPHTHERIA.—There were a couple of cases here last week.

PERSONAL.—Mr. John Anderson, teacher, has gone for a trip on lakes Huron and Superior. Mr. E. H. Cliff, assistant postmaster, has gone away holidaying.

MOUNT HOREB. Special to The Warder. COMES TO THE FRONT.—Mr. William Gorman has just completed the erection of a first-class barn, reflecting great credit on Mr. Gorman as a man of enterprise. The stone work was done by Messrs. Jas. and Wm. Robinson. The name is sufficient proof to show that the job is a first-class one.

HAY harvest is over; barley harvest is in. Miss Lizzie Higgins of Peterboro is now visiting friends in Mount Horeb.

Mr. T. W. Kennedy of Mount Horeb is visiting his friends in Peterboro.

Mr. Kennedy of Pontypool is now visiting friends in Mount Horeb.

Now boys stick for high wages this year; the crops are looking well.

PETERBOROUGH. A CAMP MEETING.—A camp meeting is to be held near Peterborough, Ont., on something new and it will doubtless attract the people. In the last number of the Gospel Army Trumpet this advertisement appears: "Camp meeting and Officers Convention will be held at Crawford's Grove near Peterborough, August 11th to 18th. The army held a camp meeting at Brantville a short time ago.—Review.

PRESENTATION.—Mr. J. G. Macklin, Chief-Engineer of the Midland Division of the Grand Trunk Railway, has been presented with a costly gold watch, by his subordinates. The inscription on the gift, reading as follows, explains the why and wherefore of the presentation:—

"Presented to J. G. Macklin, Chief-Engineer of the Midland Division of the Grand Trunk Railway, by his staff, roadmaster, and bridge crew, on the event of his marriage; Peterborough, July 6th, 1886.—Times.

USQUET CONSPIROUS.—A man walked up to chief banking, Colbourne a few days ago with a couple of cows and a bull, taken from Belleville and gave himself up as a volunteer of civilization. They lately got street letter boxes and now have a shooting gallery. The Salvation Army of course didn't hide the fact. As an metropolitan centre like Port Hope.

Mr. Richard Darling brought in the first new wheat of the season to Mr. H. Barrett's mill. The sample was an excellent one, a good color, plump and hard.

A SUDDEEN DEATH.—A very sad death was that of John Carr, a promising young man of about eighteen years, a son of Mr. Henry Carr who lives about half way between Port Hope and Cobourg, on the Cobourg road. Deceased had only been a day or two of inflammation, and died last Monday evening. The death is deeply regretted by a large circle of friends, by whom he was very much esteemed.—Times.

INGOLDSBY. Special to The Warder. LOSS.—Mr. William Cameron sustained a heavy loss one day last week by the death of his best cow. It appears that the cow went away and did not return till next day, when shortly after being milked she died. Something like this was found on the hair about the cows nose. The milk was not used.

BE.—This is the time for mowing here. Quite a few of our farmers have had successful be during the last week. Among whom are Mr. A. Baker and Mr. E. T. Brown. Hay crop fair average in this section of the country, notwithstanding the wet weather we have had of late. It's being got in in good condition.

IMPROVEMENTS.—Mr. H. Yerec, of Egypt, has raised a blue barn this summer. He has it finished and ready for barning. It makes great improvement to the neighborhood. Trustees of Union S. S. No. 2, have greatly improved the appearance of the school house in this section by giving it a new coat of paint inside and out.

JANETVILLE. Special to The Warder. BIG EGGS.—Your special was showing eggs dropped by a hen of Major J. McArthur's, one measuring 3 1/2 inches long, 2 1/2 inches wide and 7 inches across, the other 2 1/2 by 6 inches, both weighing 5 ounces each. We would call them a freak of nature if they were the only two but they were only a sample shown me among a number laid by the same flock of common hens.

CHURCH MATTERS.—The quarterly service of the Janetville circuit of the Methodist church will be held in the Bethel church on Sunday, the 8th. The Rev. Mr. Curtis of the Bethany circuit will officiate in the morning at 10 o'clock, and in the evening at 7 o'clock. The Rev. J. Power will occupy the pulpit on the Bethany circuit at the same time.

SELF-BINDERS.—Mr. R. Sylvester is taking the whole run in 17 self-binders. He has a new agent, Mr. Carr, who has a new machine, not less than 17 self-binders in this locality, which speaks well for the Lindsay manufacturer.

SPRING wheat is coming in fast with a full head and bright straw. This will find a number of needs out.

BETHANY. Special to The Warder. UNDER the auspices of the Passage Aid Society in connection with the Methodist Church a grand party was held at the grounds of Josiah Wilson, Esq., on Wednesday evening, which proved a grand financial success. The evening address was delivered by the Revs. Currier and McCamus, and music furnished by the Bethel band.

Rev. Mr. McCamus conducted the service in the Methodist church last Sunday, preaching a most eloquent and able sermon to a large and appreciative congregation.

Our new exhibition grounds (the gift of Dr. G. Breton) have been fenced, stumped and put in good order generally, and in another year when the beautiful shade and ornamental trees are grown, it will be a most delightful resort indeed for the weary traveler.

Miss Minnie Lee has returned from visiting her friends in North Victoria, accompanied by her cousin, Miss Stinson, of Minden, who purposes spending the remainder of the summer with her friends in Mansfield.

Miss George Breton, who has been on a visit to her paternal home for the past month, returned again to our village on Friday.

CAMERON. To the Editor of The Warder. I wish as my final statement in regard to the Latter Day Saints or so called Mormons to mention a few facts regarding their meetings. About two years ago there came to Cameron Elders Lake and Mackintosh, since then they have about 40 or 50 followers, who have erected a meeting house 25x36. In some of their gatherings they tell their dreams and visions which are interpreted by one of their number. Now, I would much like to be an interpreter but I don't think I have the gift. The one who interprets a dream which was related to me by one of the boys, saw on the lot, on which their church is built two crocodiles, the one of all black with the exception of a few white spots, and bleeding to death from the effect of wounds in their necks. My interpretation of this dream would be the following:—The two crocodiles are the two Elders, the black represents the error, i. e., Joseph Smith's doctrine or the book of Mormon which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine; the wounds in the neck which they receive is the word of God, cut by the sword of the spirit, above blood running from the wounds, above that a time is given to the religion which they believe in, which they try to link up to the bible, the white spots represent the purity or truth which they have introduced into their doctrine;
