When he first came to Cameron he Omeron that ever had been done. He feld some that young people had no Person to die for God healed the sick and they had the right to claim to live the allowed time to man, and as there We some sickness in the peighbour hood he soon started out to perform time of his wonders. By this time he hid a few that were willing to follow his around the neighborhood to pray for the sick and they were to be healof. They went to one family where their daughter was sick with consumption and saked to pray for her, telling he parents their child should live. They continued their visite for some Weeke, and the evening the young providing the accommodation for holding said court. Resolved that the reeve he and is hereby instructed to attend said court on behalf of this municipality.—Carried. with, for his board and lodging was an object. As his wife stated when she came that he had nearly starved his first wife and she did not propose to be so treated, and that he was spouging his living off the public, and he so presented himself as a religious tramp. He had no shurch, did not believe in any visible church, and where is life religious home, certainly he has none, therefore I think it is as politen name to view the extending of the certain of the cer as could be given him. He spoke of

a good Christian lady having a dream, which is Scrofulous Disease of the Lungs, is promptly and certainly arrested and curied by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for consumption of the lungs, but for all I presume she had it with her eyes open, and he interpreted it by the same lying spirit that he had tried to humbug the people of Cameron with. Sir. I remember hearing in times gast wood hams and other things of the sind over and sell to the Canadians and humbug them and get their money. I thought those days were past CHRONIC DISEASES
