The Victoria Warbler

FRIDAY, SEPT. 24, 1886.

BULGARIA. Nothing surprisingly new has occurred in Europe in relation to Bulgaria. It seems probable that Britain, Germany and Austria will interfere to check Russia.

THE MAIL'S MANLY POLICY. We reprint an editorial from the World, giving an unbiased opinion of the Mail's manly stand on the questions of the day.

METHODIST EDUCATION. Perhaps no organization in America possesses finer debating and executive talent than does the Methodist church conference.

THE MAIL'S INDEPENDENCE. The World has little doubt of the sincerity of the Mail's declaration that it is conducted independent of Sir John or his government.

THE HOUR APPROACHES. Soon the people of Canada will be called on to exercise the franchise to decide which will be returned to office, Sir John A. Macdonald and his supporters, or Edward Blake and his adherents.

EDITORIAL NOTES. The Montreal Herald states that Canada is on the verge of civil war. And what has brought Canada to such a state? Simply pandering to roman catholicism.

THE POST'S COMPARISON.

Last week the Post, by association, compared Judge Dean, a leading Methodist, and Archbishop Lynch, the ruling roman catholic of Ontario.

HALDIMAND.

Some are jubilant over the election of the Reform candidate for Haldimand. We are not. Others take it as a defeat for the Liberal-Conservatives.

THE MAIL'S INDEPENDENCE.

The World has little doubt of the sincerity of the Mail's declaration that it is conducted independent of Sir John or his government.

EDITORIAL NOTES.

The Montreal Herald states that Canada is on the verge of civil war. And what has brought Canada to such a state? Simply pandering to roman catholicism.

Sir David and Lady MacPherson have arrived from Europe and are sojourning in Quebec.

Parnell's bill re Irish affairs was beaten by nearly one hundred majority on Tuesday night.

Mr. Gladstone again denies that he has turned roman catholic. People only judge him by his acts.

Scott Act fines are, by order of Dominion government, to go to municipalities wherein they are levied.

Major McLean of Port Hope, Lieut. Twigg, and many others from Manvers and Peterboro will feel proud of their battery—the Durham Field.

Among the new officers met in the recent brigade camp, Kingston, none impressed us as being more truly a gentleman and a typical soldier than Captain Murray, commanding the 14th companies in garrison at Fort Henry.

A man named Jones was drowned in Yonge st. slip, Toronto, last Saturday in presence of hundreds of spectators, and no one offered to save him.

Mayor Howland of Toronto felt honored by associating with and receiving Rev. Dr. Kane, and Mr. Smith, the Loyalist delegates from Ireland, but minor fry such as C. D. Barr of the Lindsay Post, could not be a party to receive them.

Many independent roman catholics are strongly opposed to Home Rule, a la Gladstone's bill; and as strongly condemn the Rielite agitation in Quebec.

Already New York, Boston, and Philadelphia merchants are arranging to have goods from and to China, Japan and New Zealand shipped via Canadian Pacific Railway instead of by way of San Francisco.

MEMBER. CRICKET.—Saturday gave the single men a chance to retrieve their fallen fortunes. Although the young men had every opportunity for choice and did place their best possible eleven on the field and that the married men had the greatest difficulty in getting an eleven at all, the match though not concluded does not look very favorable to the young men.

The married men were first to bat and retired with the modest score of 24, and when the single men retired with 56 their stock stood high; but when Messrs Morrison and Bradburn began their second inning a regular slugging match took place Morrison making 48 and Bradburn 24 of the whole side 122. The single men to receive their second innings next Saturday.
