BETHANY.

Special to The Warrier.

This week it is the painful duty of your correspondent to record the death of Mr. Robert Hancock a respected citizen of our village. During the past twelve months Mr. Hancock has been a constant sufferer and his death on Saturday evening was not unexpected. The grim monster has also visited the family of Mr. Mark Graham taking therefrom his youngest child Bertie.

Millerbrook cricket club came over here us again on Thursday last, and during the afternoon we engaged in a friendly contest the result being the visitors came out second best.

Great preparations are being made for the exhibition on Saturday next and from the number of entries already made we have no doubt of it being the most successful ever held in Manvets.

Messrs Grandy & Graham are shipping immense numbers of cattle, sheep and hogs, from here every week for which they pay very good prices indeed.

Barley is also coming in freely as our local buyers are offering big inducements to our farming friends to market their grain early.
