A Revoke Mauring.—The Reformers around here are entervoring to find a man to oppose the Conservative candidate in the coming elections for the D minion but up to the time of writing they have fatled to find a man with time and money to lose in opposing Mr. W. Special to The Warder.

Our farmers have been very busy lately threshing, and a smile almost a yard wide and nearly an inch thick may be seen upon the faces of nearly all. Ot course there are some who complain. They say the crope are too good, and that prices are low in consequence thereof. The Lord makes a heap of allowance for some of those grumblers. If he don't, we can't see for our lives how other people can. Many of our farmers will have over a thousand bushele of grain. This may not appear to be very much to farmers in the front and older actitements; but this is a new settlement, and in view of its newness, we think the large crope speak well for the settlers.

Winter has come and with it snow, cold hands, cold teet, by words, mince pier, atunied goose, red noses, saurkrant, dancing parties, sausanges, wild oute, venison, anowehoes, wolves and plum puddings and a host of other thrugs too numerous to mention, yes, all necessary to make up a grantine back-woods wister. The sleight-

and a host of other things too numerous to mention, yes, all necessary to make up a genuine back-woods winter. The sleighing is not very good, yet sleighe are used in preference to wheeled rigs.

Weither At the residence of the bride's mother, by the Rev (r. Horton of Haliburton, were united in the holy bonds of metrimony, Clara Burton and Thomas White both of Monmouth. We predict a bright and happy future for the young couple, and should they have trials, we trust they may be little ones.

Our former merchant and reeve Mr S. Ritchie of Lindsay, paid us a short visit, We were pleased to see him looking so well and happy.

The Rev. A. Thomson & A. incumbent of Cardiff massion, has received an quantimone call from the wardens of St. Mary Argue, F.

nnanimous call from the wardens of St. Paul's, Weston, Ontario. We would be very sorry to lose him, yet feel it would be selfish on our part to offer any resistance to his acceptance of such a pool offer. He is not only held in high respect among his own people, but every other denomination respects and admires him as a true christian. Should be are ht to accept the offer, the prayers and good wishes of a large circle of friends will follow.
