West Victoria Redeemed.

The Greatest Victory on Record.

A Majority of 366 For, turned
into one of 13 Against the
Grit Party.

A Gerrymandered Stronghold
Captured by a Short, Sharp
and Decisive Assault.

John Cruess Elected by a
Majority of 13.

The history of Canadian elections re-
cords no such victory as that won on
Tuesday, 23rd December, 1886, over the
Grit party in West Victoria. As the peo-
ple are aware Mr. Mowat sprang the elec-
tions on the country long before the ex-
piring of the last Grit term, hoping to
make a verdict from the people suddenly.
But to prepare for such an election he had
previously gerrymandered Ontario to
guarantee himself about thirty of a ma-
jority in the new House. But, though
Mr. Mowat may be contained in the Pro-
vince, the glorious old County of Victoria
has redeemed itself beyond all expecta-
tions.

MARIPOSA, the once banner Reform
township, that formerly gave 400 majori-
ty, gave only 8 for McIntyre.

Three cheers for the independent Lib-
erals of Mariposa!

Ops, that formerly gave Conservative
majorities, went 56 for McIntyre.

LINDSAY, that once followed Ops, gave
66 for McIntyre.

ELDON, always Conservative, rolled her
majority up to 150. Harnah for Eldon!

CARDEN reduced her Grit majority to
25.

DALTON gave a good vote and rolled up
31 majority for Cruess.

WOODVILLE, the Grithive, gave only 13
for McIntyre.

Total majorities for McIntyre.....168
Total majorities for Cruess.....181

Majority for Cruess.....13

HURMAY FOR CRUENS, noble Mariposa;
staunch old Eldon, and far away Dalton.
The Dalrymple loyalists turned out in
good style and by their action helped to
win the election.

Hartley, Balsore, Kirkfield and Lorne-
ville, every polling place in Eldon gave
good majorities for Cruess.

But the greatest surprise for everyone
was in Mariposa. Oakwood brought Mc-
Intyre's majority down to 3. Valencia
gave Cruess over 50, Little Britain
Fowler's, Fingerboard and Brown's all
rolled up majorities for Cruess. While at
Black's and Manly the Grit majorities
were greatly reduced.

Ops and Lindsay Conservatives, too,
worked well and deserve credit.

The Lindsay 'Patent Com-
bination'

BUSTED!!

Fair Play and Decency Trium-
phant.

PEACE TO ITS ASHES.

The Province.

In Ontario the returns show Mr. Mowat
sustained by an increased majority; but
that is traceable to three things.

(1.) The gerrymander.

(2.) The solid phalanx of roman catho-
lics in Ontario.

(3.) The liberal support of the license
inspectors and their influence. All these
were in favour of Mr. Mowat.

But it is noticeable that the Conserva-
tive losses and Grit gains are entirely in
places where the roman catholic vote is
dominant. Not only in Victoria, but
throughout Ontario has the roman catho-
lic vote, almost to a man, been cast for
Mr. Mowat. And the protestants cannot
be brought into line at the crack of the
whip from Toronto so can the roman
catholics. It takes time for them to be
convinced. They deal in brains not
passion; and the product of reason is of
slow growth. Hence the Grit majority in
the Province.

But we feel assured that in Ontario
Province, as in Victoria County, the tri-
umph of principle over party is only a
question of education. In West Victoria
the independent electors have nobly done
their duty, and we congratulate the coun-
try on having such noble fellows. While
such men are to the fore the country need
not fear.

Personally THE WARDER feels pleased
at the result; for we have ever advocated
PRINCIPLE before PARTY.

We feel justly proud of a few of that faith,
men such as Mr. J. Begley and Mr. Brady,
who in the face of every influence to the
contrary, voted for Mr. Cruess. They are
just as good churchmen as are the greatest
bigots of their church; and deserve the
support and encouragement of every citi-
zen who believes in EQUAL LAWS AND
EQUAL LIBERTIES FOR ALL CITIZENS. We
trust that henceforward others of that
body, now that they see Victoria, at all
events, cannot be ruled by Archbishop
Lynch, will also place their religion in its
proper place and come out manfully as
CITIZENS of a FREE STATE, and not as
members of a church. Let them advocate
by their voice and with EQUAL LAWS
AND EQUAL LIBERTIES FOR ALL CITIZENS.
God Save the Queen.

GLANDINE.

SERIOUS ILLNESS.—Mr. C. H. Jones
our highly esteemed post master and
blacksmith is seriously ill with brain
fever. Dr. Keuppe of your town is at-
tending him with sanguine hopes of his
speedy recovery. We all hope to see him
well again.

THE WARDER ROOSTER.—Set the bird
up and let him eat. West Victoria has
shown some fellow. That justice comes
down. Who dares the gerrymander
work. Great piece of statesmanship.

Successful Candidates.
