"An Old Saying." "Try, try again" is a very old saying but it is nevertheless a very good one, and if you have been trying and trying to get something to cure salt rheum, ulcers, sores, burns, and other skin troubles, it has been unsuccessful just try one more ointment, and let that be Johnson's All Healing White Ointment and your verdict on it will be "complete success."

It Seldom Fails. J. D. Cameron, of Westlake, Annis, Cape Breton, had inflammatory rheumatism which Hagar's Yellow Oil cured after all other treatment had failed.

A Seasonable Hint. During the breathing up of winter, when the air is chilly and the weather damp, such complaints as rheumatism, neuralgia, lumbago, sore throat, croup and other painful effects of sudden cold, are prevalent. It is then that Hagar's Yellow Oil is most truly valuable as household remedy.
