RELIGION IN POLITICS.

The Mail and The Warbler are accused of introducing into politics the religious cry. Of course we deny any such charge. It has been introduced for many a day here, and will be again long hence.

THE CAMPAIGN IN WEST VICTORIA.

Victory unexampled in Ontario politics has perched on the Liberal-Conservative banners in West Victoria. The causes producing that victory are simply the alliance with the best elements of the Liberal-Conservative party of a large number of intelligent independent Reformers in Mariposa, Eldon, Ops, Lindsay and Carden; as well as the righteousness of the cause in which the alliance fought.

THE EVENING OF THE BATTLE.

On Tuesday evening, soon after the polls had closed, it became known that Lindsay had gone off for McIntyre. Soon the tidings, joyous to the Grits, came in that Ops had added 56 more to the Lindsay majority.

FINAL RETURN.

The final returns show that Mr. Nowat won four of the government seats; and secured eight others through the solid roman catholic vote. Some, like Victoria, have been nobly redeemed, leaving him with an increased majority over last session of about five votes.

ALMOST AN INCIDENT.

At Downeyville on election day the veteran warrior, Theo. Stephenson, Esq., of Omeo, was the Liberal-Conservative scrutineer. He objected to a number of Grit votes, whereupon a miniature pandemonium was set up.

EDITORIAL NOTES.

A Happy New Year to all. Perhaps a pill from Swipes would do the Patent Combination good! In East Victoria John Fell is elected by 300 majority over the Ontario government agent, Mr. Bick.

BOARD OF TRADE.

Last week the Board of Trade, as at present organized, met in the rooms of the Mechanics' Institute, to consult with Mr. Macklin, Chief Engineer of the Midland Division of the Grand Trunk railway, to consult regarding the relations of the town and the railway towards each other.

A. CAMPBELL.

During this month, more especially than at any other time in the year, people, as a general rule, expend more on the luxuries that necessitate for a well provided table; and as this is a "Duty" which falls on every "Housekeeper" or Provider for the same, it is essential, on his or her part, to have this Duty as pleasant and economical as possible.

LADIES AND GENTLEMEN,

- 1. Buy your Goods where you get the best value for every dollar you expend. 2. Buy your Goods where you have no doubt as to the freshness and quality of them. 3. Buy always where the Largest Stocks are kept. 4. Buy where Largest Business is done, for the simple reason that it is a positive proof to you that the Goods are fresh. 5. Buy where you can get your Goods delivered promptly to any part of the town or railway station. 6. Lastly, and most important to you, buy where you are dealt honestly with.

ARCH. CAMPBELL,

Christmas Goods.

MCCRIMMON BROS.
