Last year Captain Crandell erected three handsome brick residences in the East ward, and already for this serson's work he has everything roady to build six other new ones, all brick. That is enterprise of the right kind. Who dares point the finger of scorn at the noble East ward? What citizen in either North or South ward will follow Capt. Crandell's lead? Let us hope many may be inspired

A NEW RESOCION IN SOUTH

OUR GRAVEL ROAD SCHEME.

The Grand Trunk Railway will contract to deliver train loads of gravel at the various crossings in this county at sums that will surprise the ratepayers. What is to prevent Lindsay from purchasing several thousand yards delivered here, and having it placed on the streets this spring! What stands in the way of Ops, Fenelon, or any other municipality following suit? Is there no way whereby gravel could be delivered by boat, or scow, to be drawn for the Dunsford and Bobcaygeon road? In the afternoon both gentlemen addressed a large meeting in the Opera House, while at night Hon. M. Foster again occupied the Opera, and Hon. M. White spoke at Bobeaygoon. Roth are fair speci-mens of the superior ability of the Cabinet of Canada. Mr. White is well-known and very popular here; and Mr. Foster has planted himself and Mr. Foster has planted himself deep in the minds of the people as a very superior speaker. Mr. Maguire of Kingston was also one of the

speakers.
Their visit will largely increase Mr.
Hudspeth's majority.
