Farm to Rent in Hanover.

The undersigned offers to rent the farm lot 1, con'taining 100 acres, situated on the road to Hanover, containing 50 acres, about 170 of which are cleared, and in good state of cultivation. There are on the property three good barns, driving and implement sheds, and a good dwelling house. Plenty of water. Fall ploughing and summer following done. For particulars apply to WILLIAM GRAHAM, Yorkton P. O.—64.

Touchburn & Preston, GRAIN AND PRODUCE MERCHANTS, Bethany and Franklin.

Highest market price paid for grain of all kinds at all seasons of the year.
J. J. PRESTON, at YORK TOWN.

MENSURY BARLEY, Egyptian and Black Tartary Oats FOR SALE FOR SEED.

The Mensury Barley is bound to replace the old favored, and is superior in quality. It is produced in the best soil, and is the best for seed. It is also the best for stock. It is the best for seed. It is the best for stock. It is the best for seed. It is the best for stock.

The White Egyptian Oats are a side oat, with heavy head and stiff straw, not liable to lodge or blow off in harvesting, thus producing an abundance of straw and first-class grain weighing from 48 to 50 lbs. for the measured bushel, and are about 3 weeks earlier in ripening than other varieties. Also about 20 bushels of Black Tartary Oats, grown from imported seed last year. Our farm is perfectly free from all soil pests. For particulars and prices apply by mail or call on RICHARD YOUNG, Agent, Yorkton, P. O. Feb. 12, 1887.—40-41.
