To each one of you I would say: Parliamentary Government is on trial at the present moment; should it succumb to the onslaught, placidly survey the wreck, fortified with a bottle of DANDELION BITTERS. The turrets of Confederation have been built wide and high, but should they topple in the struggle stand from under with a bottle of DANDELION BITTERS. Let fiery orators clothe their emotions in thoughts that breathe, and words that burn,-you regulate your liver with DANDELION BITTERS. Let our legislators abuse each other while their breath lasts; they are paid for it,—you pay for a bottle of DANDELION BITTERS and use it for diseases of the Liver, Stomach and Kidneys. It acts like a charm, and never does harm.
