Harvest Home services will be held in the Methodist Church. The Pastor will conduct both services. Strangers made welcome. All persons who will loan flowers, fruit and etc., are requested to send them to the church at 3 p.m., Saturday tomorrow.

On Wednesday 7th inst., Mr. W. W. Jordan of Oakwood was united in the bonds of matrimony to Miss Lucinda Stewart a very estimable lady' daughter of Mr. Wm. Stewart of Cavan. The ceremony was performed at the residence of the bride's father; we wish them every success and happiness through life.

Bush Fires so prevalent and disastrous in the more northern parts of the Province this year, have been casting their lurid reflections on the sky near here, and filling the air with smoke during the past few days. We have not heard of any serious damage being done however, and believe the fires have been carefully watched.

A serious accident happened in the east ward on Tuesday, whereby Mrs. Callaghan, of Emily, had an arm broken, and her husband was badly injured. A dog—an untagged cur—rushed at their horse, biting him in the heels. This caused him to kick and run, with the result—a broken arm, and other injuries, to Mrs. Callaghan, two severe kicks to her husband, and a smashed buggy.

ADVANCEMET.—Mr. George Staples of Lifford, is now working on his farm a new Sulky Plough. It was sold through the agent Stephen Sisson. This is the first of this kind of agricultural implement ever introduced in this part, and if it works well, no doubt others will be sold.

FROST here on Friday night of last week which froze ice on water as thick as window glass.

BEAVERTON.

Special to The Warder.

EDGAR, the village constable, seems the wrong man in that office, as is aptly shown by his carrying on last Friday night on Simcoe street, when he was as "full as a tick."

BEAVERTON YACHTS DEFEATED.—On Monday the 19th the Barrie boats took the Beavertons down a peg or two. Lebar and Proctor were the only Beaverton representatives. Proctor did not race well at all, and Lebar came in third. There is no use saying what the other B. boats "would" have done had they been there, for the Barrie fellows ran pretty well.

CORRECTION.—It was not a deer that Messrs. Westcott, Batten and McRae killed in Grant's bush a week ago Saturday, as stated in last week's WARDER, but a bear.

PERSONAL.—Rev. Dr. Watson is away for a brief holiday.....Mr. John D. Ritchie has returned from his tour through Scotland and Ireland, and looks "foine intirely."

THE Salvation Army is expected to raid this place again soon.

EDW. TISDALE, Esq., is blessed with another son.

MR. A. Gunn, veterinary surgeon, late of Woodville, has moved to this locality, where he will practise his profession for the future.

REV. MR. McWILLIAMS, of Toronto, preached again in Knox church, Sunday.

OAKWOOD.

To the Editor of The Warder.

ACCIDENT.—One day last week, Mr. Stephen Washington was leading a cow to the station. She was acting somewhat contrary to his wishes, when a little force work was necessary, he getting behind her as one naturally would to force her on, she of course bound to be boss, kicked him on the arm breaking it just above the wrist, but under the treatment of Dr. Jeffers, he is doing well.

DEATH has again called another star from our midst, in the person of Mrs. John Miller, who was called to meet her reward on the 5th. She leaves a dear husband, and many friends to mourn her loss. Mr. Miller has the sympathy of the surrounding community.....Also a young son of Mr. John Penrose, departed this life on the 15th, to join the angels in Heaven. Mr. and Mrs. Penrose will miss their little darling here below, but what a glorious thought of one day meeting beyond the river.

OUR town was very quiet last week, nearly every person was taking in Toronto Exhibition, so to speak, but now all settled down to hard pan work for another year, all apparently satisfied with the sights, but one poor unfortunate who came back minus his watch. (I guess he lost it).

ON passing our station one day last week, I was surprised to see so much building material piled up, my curiosity led me to inquire what it all meant, "why Mr. Johnson said a by stander, did you not hear of the new buildings that are to be erected this fall down here, I "answered him "No" of course. But on looking around, I found where building lots were staked out, I find Mr. John Sheridan grain buyer, is going to build a ticket office on the north side of the drive way leading up to the store house, for the accommodation of himself and farmers. Taking a closer observation of things I noticed another lot staked out, as I supposed, in a fence corner on Mr. Rich's farm, which I understand Mr. Lowneborough grain buyer, intends building for the same purposes, no doubt they will have a telephone running from one office to the other for close communication; and no doubt this will be one of the best grain markets in the County. The farmers are busily engaged in teaming out their barley.
