After I had successfully defended myself in two actions, order was brought in to compel me to move the fence, I proposed, as a means of putting a stop to any further liti-gation, that the corner post should be estab-lished by Mr. Dickson, Deane, or any other competent surveyor. The reply to this was, that the people would object to such ex-pense, as they had Mr. Smith already em-ployed. I said that could be gotten over; rather n embarrass the township I would pay all offer was treated with contempt, and the civil action proceeded with, which has been such a township. The Reeve was my most important witness, his evidence fully estab-lished my case, while it swore away his or the township's right to damage. He not only cleared me of the charge of obstructing the road, but he went further, and said it was of the full width, that the obstruction comwhich he very well knew I was wholly innocest. Mr. Lumsden ran the side line from a point I gave him, but he planted no post, as he said in evidence if he had he would have marked it. Mr. Deane ran a picket line along the 10th, to get the bearing by which to run anyone else, except Mr. Dickson, ever planted a post there, upon the sworn evidence of any one. Board of Trade.

A special meeting of the Board of Trade was held last Thursday morning, John Dobson Esq., President, in the chair. The following resolution, moved by A. McDonnell Esq., nously carried, that the Board of Trade of the town of Lindsay has had brought to its notice the great want of cars on the line of the Grand Trunk serving Lindsay and points throughout chamber Sets, the country. The Board has been informed that large shippers as well as the general trade are seriously hampered in many respects, and that in the interests of the G.T.R. as well as of the district, steps should be taken to supply if possible the want complained of. While the Board of Trade of Lindsay, do not wish to dictate any course of action it is felt that it is very desirable that an early attention be given to the matter and that the authorities of the Grand Trunk railway would serve the

Victoria County Hifle Matches.

These matches came off over Lindsay's ranges last Friday, and were remarkably well attended, there being several crack shots, as well as right jolly good fellows, present from Oakwood, Linden Valley, Cameron, Bethany, Peterboro, Cartwright and Manvers, besides Lindsay and Omemee riflemen. The day was very coid and very windy. Mr. Fitzgerald, of Peterboro, won first place in the Martini Warder appeared some explanation of the match at 600 yds., Or. I do not now wish to justify my position; that was done by sworn testimony before a court and jury, and with the judgment rendered upon the evidence I s hall abide, and trust so will the rest. But, with your kind permission, some further explanation may not be out of place, after that which has been Major Hughes and Lieut.
