start in the Cadmus Presbyterian Church,
on the 20th of noxt month.

ROBBY'S LOGIC.

Bran Hong.—For some weeks past it
was the current report that there was a
bear in the swamp to the south-east of
this village. For some time it was supposed that the report originated with
some one who had been either dreaming
of that it was intended for a practical
julke to get some of our village uimrode
taken steps to have it repaired. The logs
out on a will goose chase. Both surout on a will goose chase. Both sur-Last week, which event set the matter of his visiting this neighborhood at rest. A number of sportsmen assembled on Saturday; one got a fair shot at the visitor, but the charge being only small abot has no effect; another had a fair chance, and after snapping his old shooting iron twice it would not go off, so bruin bears a four or fire pairs of socks. Of course der tand at the time of writing such is

is would not go off, so bruin bests a whole skin yet. It was reported last week, that he had been killed, but I under that he perfect that they have done in the past.

The High School.—Your correspondent that been frequested to contradict a rumor that he head eigenfalt to the people of this village in regard to the people of this village in regard to the grant to erect new High school buildings at Oakwood. The story got into circulation for her, that they would raise a bonus of firsther, that they would raise a bonus of the buildings were removed here, and fins her, that they would raise a bonus of the buildings were removed here, and this story an emphatic contradiction. The facts are simply these: The people of this story an emphatic contradiction.

The facts are simply these: The people of this story an emphatic contradiction. The facts are simply these: The people of this story an emphatic contradiction. The facts are simply these: The people of this story an emphatic contradiction. The facts are simply these: The people of the facts are simply the acollege.

The facts are simply these: The people of the fact ollows in the sidewalks where water ent has been requested to contradict a build collect, have all been frozen over rumor that has been circulated on the form at the lower end of the canal this farther, that they would raise a bonus of week. It strikes us that there is genere \$1,000 if such was done. I desire to give lly some government work going on, this story an emphatic contradiction. debt. But dil yon ever hear a Grit say Latte Beitain consider it open to grave he received too much money for work doubts as to the necessity of continuing done for the government? Oh, no!
