GLANDINE.

Special to the Warde.
Rev. Mr. Dutton of Little Britain will preach a little sermon in the Methodist Church here, in the evening Sabbath eve, at 8 p.m., and take up a collection in aid of the missionary cause.

HABIBURON.

Special to the Warde.
A poor race has been arranged to take place on the Hastings cricket grounds, between Gee, Harry, of Penetanguishene, and Mr. Walling of this village, for \$100 a side distance one half mile, race to take place on Thursday, 10th day of Nov., at 8 o'clock sharp. The money is up.

MOUNT HORSE.

Special to the Warde.
According to Master Charles E. Skeet was going home from school, he and some others got on a buggy; in some way he fell off coming in contact with the wheel, breaking his leg in two places. Under Dr. McDonald's care, he is recovering as well as could be expected.

PENETANGUSHENE.

Special to the Warde.
Marine—The steamer Maxwell now makes but three trips a week between here and Parry Sound.

The first—St. Mary, Davidson & Coulter, were a fine buck. They left for the Ark on Thursday, for Manitoulin Island. Mr. Bernard of Minden, accompanied them.

The Taxes.—The taxes for this town are about \$1000 less than last year.

Cookson—Lindsey P. O., in May, has been closed.

Exlosion.—A terrible explosion of sixty five pounds of powder, occurred at Piercy Point quarry a few days ago. It appears that the powder had exploded, and some of it had been fired in the fire or a stick. The stick had afterwards been placed on the top of the powder, the person doing so not noticing the spark on it. In a few minutes the explosion occurred. The roof was blown off Piercy Point, and its occupants Mr. and Mrs. Cook, and Mr. Perrant badly wounded, but all are improving from last accounts.

BLACKSTOCK.

Special to the Warde.
The Methodist congregation here have nearly finished their large new red-brick church. This is one of the best in the village. The site in which it is built is most beautiful. They propose having a tea shortly, when completed. Messrs. two, Harrel and John Graham, are the contractors, and for which credit cannot be given for the superior workmanship.

Mr. Gooch, Notch's sole of farm stock and implements etc., came on very successfully, and the prices obtained very fair. Thomas Smith, auctioneer.

CAUCHESTER FAIR which was held here, was a most decided success, the best we have had for a number of years.

Mr. Hugh Mitchell, collector for The Warde, spent a few days in Carlisle and in the village last week.

Mr. Edward Sylvester, of Lindsay, visited us last week.

Mr. John Johnson has purchased the Commercial Hotel here, lately occupied and owned by Mr. Johnston.
