stal to The Warder. Provounce Her.—Shortly after survise on Thursday, Oct. 27th, was heard the distant rumbling of wagons, as they hurried ever the congessed road to the ploughing her of John Beil jr. The previous night's frost prevented their going to work at once, but by ten o'clock, going to work at once, but by ten o'clock, twenty-two plowmen were in the field calling their horses by their pet names. They did good work, and by sundown had turned over about twenty five acres, after ten, several ladies, lovers of the light fantactic assembled, and a pleasant

evening was spent.

A San Accident,—As Mr. George Hay,
Miss Jonnie Hay, and Miss Cowan, of Huron County, were returning from a party on hallow eve, their horse shied at an obstruction, which had been placed across the road, belted into the direb, and threw the occupants of the buggy out upon the frozen rocks. Miss Cowan's face was severely out and bruised so much, so that a medical attendant had to be sent for. The others escaped with slighter injuries, and the horse escaped the buggy unhart. This obstruction was undoubt-edly the work of some hallow eve trickster, who should ponder long before he repeats the act, as life is endangered.
